

## *Learn what you can do with Chase QuickPay® with Zelle®*

Thanks for enrolling in Chase QuickPay with Zelle—now you can send and receive money with friends, no matter where they bank.

### **QuickPay with Zelle is a secure and easy way to:**

- Request to split last night's dinner bill with friends
- Set up a repeating payment with your roommate
- Send money to your co-worker for the office pool
- Schedule a gift for your niece

**Get started now**

To get started, all you need is the recipient's email address or mobile number. Be sure to only pay people you know, so your account info stays protected.

For more info, go to [chase.com/quickpay](https://chase.com/quickpay).

Sincerely,  
Chase QuickPay® with Zelle® team
