INDEPENDENT AUDITOR'S REPORT

Board of Directors
Wheatlands Metropolitan District
Arapahoe County, Colorado

We have audited the accompanying financial statements of the governmental activities and each major fund of the Wheatlands Metropolitan District as of and for the year December 31, 2019, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

8200 South Quebec Street, Suite A3259, Centennial, Colorado 80112
303-905-0809 • info@dazziocpa.com

• Member American Institute of Certified Public Accountants • Member Colorado Society of Certified Public Accountants •

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Wheatlands Metropolitan District, as of December 31, 2019, and the respective changes in financial position and the budgetary comparisons for the General Fund, the Special Revenue – Aurora Regional Improvements (ARI) Fund, the Special Revenue – Operations Fund and the Special Revenue – Park Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4-8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Wheatlands Metropolitan District's basic financial statements. The Budget to Actual Schedule for the Debt Service Fund (the Supplementary Information) and the Schedule of Debt Service Requirements to Maturity and the History of the District's Assessed Valuation and Mill Levies (the Other Information) are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Supplementary Information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Supplementary Information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The Other Information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Dassio & Associates, P.C.

MANAGEMENT'S DISCUSSION AND ANALYSIS

**Wheatlands Metropolitan District
Management's Discussion and Analysis
December 31, 2019**

As management of Wheatlands Metropolitan District ("District"), we offer readers of the District's financial statements this narrative overview and analysis of the financial activities of the District for the fiscal year ended December 31, 2019.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements; 2) fund financial statements; and 3) notes to the financial statements.

Government-wide financial statements: The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business. Current year to prior year comparisons are presented below to help users evaluate the results of the District over the past two years.

The Statement of Net Position presents information on all of the District's assets, deferred outflows, liabilities, and deferred inflows, with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The Statement of Activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements can be found on pages 9 and 10 of this report.

Fund financial statements: A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District utilizes 5 governmental funds: the General Fund, Debt Service Fund, Special Revenue – Aurora Regional Improvement ("ARI") Fund, Special Revenue – Operations Fund and, Special Revenue – Park Fund.

Governmental funds: Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. The governmental funds provide a reconciliation to facilitate this comparison between governmental funds and governmental activities on page 13 of this report.

The District adopts an annual appropriated budget for each of its governmental funds. A budgetary comparison statement for all funds except the Debt Service Fund has been provided on pages 17 through 20 to demonstrate compliance with this budget. The budgetary comparison for the Debt Service Fund is provided as part of the Supplementary Information on page 39.

Notes to the Financial Statements: The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found starting on page 21 of this report.

Government-wide Financial Analysis: The following table shows a condensed statement of net position as of December 31, 2019 and December 31, 2018 derived from the government-wide financial statements.

**Wheatlands Metropolitan District
Net Position**

	Governmental Activities	
	2019	2018
Assets:		
Current assets	\$ 6,183,109	\$ 6,421,448
Capital and other assets	4,208,205	3,705,156
Total Assets	10,391,314	10,126,604
Liabilities and Deferred Inflows:		
Current liabilities and deferred inflows	3,392,681	3,040,158
Long-term and other liabilities	24,210,564	25,186,525
Total Liabilities and Deferred Inflows	27,603,245	28,226,683
Net Position:		
Net Investment in capital assets	4,208,205	3,067,722
Restricted	547,290	459,989
Unrestricted	(21,967,426)	(21,627,790)
Total Net Position	\$ (17,211,931)	\$ (18,100,079)

At the end of the current fiscal year, the District has a negative unrestricted net position which results from the District conveying the majority of its infrastructure to the City of Aurora but having the liability for the debt issued to construct the infrastructure.

The changes in net position for the years ended December 31, 2019 and December 31, 2018 are summarized in the following table:

**Wheatlands Metropolitan District
Change in Net Position**

	<u>Governmental Activities</u>	
	<u>2019</u>	<u>2018</u>
Revenues:		
Charges for services	\$ 992,848	\$ 913,443
Property taxes	3,095,235	2,771,369
Interest and other income	96,496	81,346
Total Revenues	<u>4,184,579</u>	<u>3,766,158</u>
Expenses:		
General government	158,144	154,984
Operations	244,764	223,352
Park & Recreation	1,196,794	864,303
Aurora Capital Improvements	42,374	42,083
Interest & depreciation expense	1,199,325	1,207,672
(Gain) / Loss on Disposition of Assets	455,030	-
Total Expenses	<u>3,296,431</u>	<u>2,492,394</u>
Change in Net Position	888,148	1,273,764
Net Position- Beginning	<u>(18,100,079)</u>	<u>(19,373,843)</u>
Net Position- Ending	<u>\$ (17,211,931)</u>	<u>\$ (18,100,079)</u>

The primary contributing factors for the increase in net position for 2019 is an increase in property tax revenue and the use of a portion of the increased revenue to make debt service payments.

Financial Analysis of the District's Funds

As mentioned earlier, the District uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds: The focus of the District's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the District's financing requirements. In particular, the unrestricted fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

General Fund revenues were \$1,608,913 in 2019 and \$1,434,416 in 2018. This increase is primarily related to an increase in tax revenues resulting from an increase in assessed valuation. General Fund expenditures were \$158,144 in 2019 and \$154,984 in 2018. The increase is primarily because of increased costs for tax collection fees which correlate with the increased tax revenue.

Aurora Regional Improvement (“ARI”) Fund revenues were \$40,878 in 2019 and \$36,388 in 2018. This increase is because of increased tax revenue due to a higher assessed value. ARI Fund expenditures were \$42,374 in 2019 and \$42,083 in 2018. The increase is a result of the increase in tax revenue. The South Aurora Regional Improvement Authority (“Authority”) requires ARI property tax revenue be passed through to the Authority. Further explanation of the Authority is found on pages 36 of this report.

Operations Fund revenues were \$265,954 in 2019 and \$259,205 in 2018. This increase is primarily attributable to additional residential units added during the year. Operations Fund expenditures were \$244,764 in 2019 and \$223,352 in 2018. The increase is primarily attributable to higher trash removal expenses resulting from an increased number of residential units and increased covenant enforcement activity.

Park Fund revenues were \$728,051 in 2019 and \$659,199 in 2018. The increase is primarily attributable to increased park fee revenue resulting from an increase in residential units and collection of a full year’s revenue for apartments that came on-line during 2018. See the note to financial statements entitled Operations and Working Capital Fees on page 25 of this report. Park Fund expenditures were \$3,585,784 in 2019 and \$1,185,799 in 2018. The 3 primary contributors to the increase are 1) an approximate \$1,500,000 increase in capital outlays related to a new community park; 2) an approximate \$530,000 increase in principal payments on the Series 2013 loan that was paid in full when the underlying land securing the loan was sold, and; 3) the imposition of a \$35 monthly fee for each single family residential unit payable to Wheatlands Park & Recreation Authority related to the construction of a new recreation center.

Debt Service Fund revenues were \$1,540,783 in 2019 and \$1,376,950 in 2018. This increase results from the increase in tax revenue related to an increased assessed valuation. Debt Fund expenditures were \$1,359,815 in 2019 and \$1,318,693 in 2018. The increase results from the increase in principal payment on the Series 2015 Bonds.

As of the end of 2019, the District’s governmental fund reported an ending fund balance of \$2,686,439, a decrease of \$586,837 from the prior year. The decrease is attributable to the increase spending for capital outlays related to the construction of the new community park.

Budget variances: The General Fund ending fund balance finished the year \$834,412 ahead of budget because the transfer to the Park Fund was \$609,154 less than budget and the beginning fund balance was greater than budget. The lower transfer amount results from a delay in Park Fund expenditures for the second phase of a new park. A budget to actual statement for the General Fund can be found on page 17 of this report.

The ARI Fund ending fund balance finished the year equal to budget. See the audit note related to South Aurora Regional Improvement Authority Establishment Agreement on page 36. A budget to actual statement for the ARI Fund can be found on page 18 of this report

The Operations Fund ending fund balance finished the year \$31,683 ahead of budget because there were no expenditures for budgeted contingencies. A budget to actual statement for the Operations Fund can be found on page 19 of this report

The Park Fund ending fund balance finished the year \$14,405 ahead of budget because a lower than budgeted transfer was needed from the general fund because of the delay in construction of the second phase of the community park. A budget to actual statement for the Park Fund can be found on page 20 of this report

The Debt Service Fund ending fund balance finished the year \$28,869 ahead of budget because 1) specific ownership tax collections exceeded budget; 2) investment income exceeded budget and 3) the beginning fund balance was higher than budgeted. A budget to actual statement for the Debt Fund can be found as part of the supplementary information on page 39 of this report.

Capital assets: The District's total net capital assets increased by \$503,049 primarily because of the construction of a new community park. In addition to the park expenditures were made to upgrade pool equipment and clubhouse furnishings. Additional information as well as a detailed classification of the District's net capital assets can be found in the Notes to the Financial Statements on page 32 of this report.

Long-term debt: The overall debt of the District was reduced by \$975,961 in 2019. In 2019 the District paid off a note secured by a parcel of land that was sold to Wheatlands Park & Recreation Authority in the principal amount of \$637,434. Further detail of long-term debt can be found on pages 32 – 34 of this report.

Request for Information: This financial report is designed to provide a general overview of the District's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Wheatlands Metropolitan District, c/o Marchetti & Weaver, LLC, 245 Century Circle, Suite 103, Louisville, CO 80027, (720) 210-9137.

WHEATLANDS METROPOLITAN DISTRICT

**RECONCILIATION OF THE GOVERNMENTAL FUNDS
BALANCE SHEET TO THE STATEMENT OF NET POSITION
December 31, 2019**

Total Fund Balances - Governmental Funds		\$ 2,686,439
Total net position reported for governmental activities in the statement of net position is different because:		
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		
Those assets consist of:		
Capital Assets Not Being Depreciated	\$ 41,702	
Capital Assets, Net	<u>4,166,503</u>	4,208,205
Net prepaid bond insurance costs are not financial resources and, therefore, are not reported in the funds		
		187,287
Long-term liabilities applicable to the District's governmental activities are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities - both current and long-term - are reported in the statement of net position.		
Balances at year end are:		
Bonds Payable	(23,860,000)	
Bond Premium	(350,564)	
Accrued Interest Payable	<u>(83,298)</u>	<u>(24,293,862)</u>
Net Position - Governmental Activities		<u><u>\$ (17,211,931)</u></u>

The notes to the financial statements are an integral part of this statement.

WHEATLANDS METROPOLITAN DISTRICT

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN
FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
For the Year Ended December 31, 2019**

Net Change in Fund Balances - Governmental Funds \$ (586,837)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.

Capital Outlay	\$ 1,732,844	
Depreciation expense	(155,300)	1,577,544

The net effect of various miscellaneous transactions involving capital assets (i.e. sales and transfers) is to increase net position. In the statement of activities, only the gain or loss on the disposition of capital assets is reported. However, in the governmental funds, the proceeds from the disposition, if any, increases financial resources. Thus, the change in net position differs from the change in fund balance by the net book value of the asset disposed.

Loss on disposition of capital assets		(1,074,495)
---------------------------------------	--	-------------

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.

Principal Paid on Long Term Debt		962,434
----------------------------------	--	---------

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

Change in accrued interest on bonds and loan payable	3,202	
Amortization of bond premium	13,527	
Amortization of bond insurance costs	(7,227)	9,502

Change in Net Position - Governmental Activities		\$ 888,148
---	--	-------------------

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

NOTE 1 –REPORTING ENTITY

Wheatlands Metropolitan District, formerly Wheatlands Metropolitan District No. 2 (“the District”), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by order and decree of the District Court in and for Arapahoe County on December 4, 2001 and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 2, Colorado Revised Statutes). The District changed its name from Wheatlands Metropolitan District No. 2 to Wheatlands Metropolitan District pursuant to a court order dated September 6, 2012. The District operates under a Service Plan approved by the City of Aurora (“the City”) as amended and restated on August 6, 2004, as further amended by a First Amendment approved by the City on August 24, 2015 (“Amended Service Plan”). The District’s service area boundaries are located entirely in the City, in Arapahoe County, Colorado (“County”). The District is one of two related districts: Wheatlands Metropolitan District No. 1 (“District No. 1”) and Wheatlands Metropolitan District (“the Districts”). Pursuant to the Service Plan, the District is referred to as the Taxing District and District No. 1 is the Operating District. The Operating District is responsible for management of the construction of all facilities and improvements and for operation and maintenance of all improvements not conveyed to the City. The Taxing District provides the funding for infrastructure improvements and the tax base needed to support ongoing operations. During 2011, District No. 1 turned over operations and maintenance functions to the District and went inactive; consequently, the District now acts as both the “operating” and “financing” District.

The District was established principally for the financing of public improvements, including streets and roadways, safety protection systems, water improvements, sanitary sewer and storm drainage, and park and recreation improvements and facilities.

The District follows the Governmental Accounting Standards Board (GASB) accounting pronouncements, which provide guidance for determining which governmental activities, organizations, and functions should be included within the financial reporting entity. GASB pronouncements set forth the financial accountability of a governmental organization's elected governing body as the basic criterion for including a possible component governmental organization in a primary government's legal entity. Financial accountability includes, but is not limited to, appointment of a voting majority of the organization's governing body, ability to impose its will on the organization, a potential for the organization to provide specific financial benefits or burdens and fiscal dependency.

The District is not financially accountable for any other organization, nor is the District a component unit of any other primary governmental entity.

The District has no employees and all operations and administrative functions are contracted.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The more significant accounting policies of the District are described as follows:

Government-wide and Fund Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These financial statements include all of the activities of the District. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities are normally supported by taxes and intergovernmental revenues.

The statement of net position reports all financial and capital resources of the District. The difference between the assets, deferred outflows of resources and liabilities and deferred inflows of resources of the District is reported as net position.

The statement of activities demonstrates the degree to which the direct and indirect expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function or segment, and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for the governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Other items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met. Depreciation is computed and recorded as an operating expense. Expenditures for capital assets are shown as increases in assets and redemption of bonds and notes are recorded as a reduction in liabilities.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days after year-end. The major sources of revenue susceptible to accrual are property taxes. All other revenue items are considered to be measurable and available only when cash is received by the District. Expenditures are recorded when the related fund liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

The District reports the following major governmental funds:

The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The Special Revenue – Aurora Regional Improvements (ARI) Fund is used to account for revenues received from the ARI mill levy which is required to be used for payment of the planning, designing, permitting, construction, acquisition and financing of the regional improvements described in the ARI Master Plan.

The Special Revenue — Operations Fund is used to account for operations fee revenues and the costs associated with design review, covenant enforcement and trash services.

The Special Revenue – Park Fund is used to account for park fee revenues and the costs associated with the general operations and maintenance of the District's park and recreation facilities, along with payments made for principal and interest on the Tax-Exempt Revenue Note, Series 2013, issued for the purpose of acquiring land related to the park and recreation facilities.

The Debt Service Fund accounts for the resources accumulated and payments made for principal and interest on long-term general obligation debt of the governmental funds.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

Budgets

In accordance with the State Budget Law, the District's Board of Directors holds public hearings in the fall each year to approve the budget and appropriate the funds for the ensuing year. The appropriation is at the total fund expenditures level and lapses at year end. The District's Board of Directors can modify the budget by line item within the total appropriation without notification. The appropriation can only be modified upon completion of notification and publication requirements. The budget includes each fund on its basis of accounting unless otherwise indicated.

For the year ended December 31, 2019, supplementary appropriations approved by the District modified the appropriation from \$40,446 to \$44,962 in the Aurora Regional Improvements (ARI) Fund.

Pooled Cash and Investments

The District follows the practice of pooling cash and investments of all funds to maximize investment earnings. Except when required by trust or other agreements, all cash is deposited to and disbursed from a single account. Cash in excess of immediate operating requirements is pooled for deposit and investment flexibility. Investment earnings are allocated periodically to the participating funds based upon each fund's average equity balance in the total cash and investments. Investments are carried at fair value.

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

Property taxes, net of estimated uncollectible taxes if any, are recorded initially as deferred inflow of resources in the year they are levied and measurable. The property tax revenues are recorded as revenue in the year they are available or collected.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

Operations and Working Capital Fees

The District charges a monthly operating fee of \$20 to all homeowners for architectural review, covenant enforcement and trash service. The District also charges a monthly park and recreation fee of \$45 to all single family residential and vacant lot owners for the operation and maintenance of the park and recreation functions of the District. The District imposed a reduced park and recreation fee of \$20 per month for apartments (“Apartment Park and Rec Fee”). The District also entered into an agreement with Avalon Southland Inc. in which the District agreed to assess the Apartment Park and Rec Fee for apartments owned by Avalon Southland Inc. in exchange for qualified access to the District’s swimming and clubhouse facilities and other landscaping and sign maintenance considerations.

In addition to the monthly operations fees, the District imposes a working capital fee on all transfers of residential units by an end user. The amount of the working capital fee is \$150 when the consideration exceeds \$500. Of the \$150 fee, \$50 is allocated to the Operations Fund and \$100 is allocated to the Park Fund. For consideration of less than \$500, no working capital fee shall be payable.

Capital Assets

Capital assets, which include the park and recreation facilities, are reported in the government-wide financial statements. Capital assets are defined by the District as assets with an initial, individual cost of more than \$5,000. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation.

Capital assets which are anticipated to be conveyed to other governmental entities are recorded as construction in progress and are not included in the calculation of the net investment in capital assets component of the District’s net position.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the life of the asset are not capitalized. Improvements are capitalized and depreciated over the remaining useful lives of the related capital assets, as applicable.

Depreciation expense has been computed using the straight-line method over the following estimated economic useful lives:

Parks and recreation facilities	10 - 30 years
Landscaping Improvements	10 - 25 years

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS December 31, 2019

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position/balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position or fund balance that applies to a future period(s) and thus, will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position/balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position or fund balance that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Long-term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities statement of net position. Bonds payable are reported net of the applicable bond premium. Bond premiums are deferred and amortized over the life of the bonds using the straight-line method and charged to interest expense. Debt issuance costs, except any portion related to prepaid bond insurance costs, are expensed when incurred. Bond insurance costs are prepaid and amortized over the term of the bonds.

In the fund financial statements, governmental fund types recognize debt premiums and discounts, as well as debt issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Net Position and Fund Equity

Net Position

The government-wide financial statements utilize a net position presentation. Net position is categorized as net investment in capital assets, restricted and unrestricted.

Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

Restricted net position is subject to restrictions by creditors, grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provision or enabling legislation.

The District reports the following restricted net position balances:

Restricted for TABOR Emergencies

Emergency reserves have been provided for as required by Article X, Section 20 of the Constitution of the State of Colorado (see Note 9).

Restricted for Debt Service

Net position is restricted for debt service because their use is limited by applicable bond covenants.

Restricted for ARI Projects

Net position is restricted for projects associated with the ARI Master Plan.

Unrestricted net position represents assets that do not have any third-party limitations on their use.

The District's unrestricted net position as of December 31, 2019 totaled \$(21,967,426). This deficit amount was a result of the District being responsible for the repayment of bonds issued for public improvements which were constructed and primarily conveyed to other governmental entities, and which costs were removed from the District's financial records.

For government-wide presentation purposes, when both restricted and unrestricted resources are available for use, it is the District's practice to use restricted resources first, then unrestricted resources as they are needed.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

Fund Balances

Fund balance for governmental funds should be reported in classifications that comprise a hierarchy based on the extent to which the government is bound to honor constraints on the specific purposes for which spending can occur. Governmental funds report up to five classifications of fund balance: nonspendable, restricted, committed, assigned, and unassigned.

Because circumstances differ among governments, not every government or every governmental fund will present all of these components. The following classifications describe the relative strength of the spending constraints:

Nonspendable fund balance – The portion of fund balance that cannot be spent because it is either not in spendable form (such as prepaid amounts or inventory) or legally or contractually required to be maintained intact.

Restricted fund balance – The portion of fund balance that is constrained to being used for a specific purpose by external parties (such as bondholders), constitutional provisions, or enabling legislation.

Committed fund balance – The portion of fund balance that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority, the Board of Directors. The constraint may be removed or changed only through formal action of the Board of Directors.

Assigned fund balance – The portion of fund balance that is constrained by the government's intent to be used for specific purposes but is neither restricted nor committed. Intent is expressed by the Board of Directors to be used for a specific purpose. Constraints imposed on the use of assigned amounts are more easily removed or modified than those imposed on amounts that are classified as committed.

The following fund balances are assigned:

Capital Replacement Reserve – The District has provided for a replacement reserve in the General Fund for use in subsequent year capital improvement projects.

Subsequent Year's Expenditures – Represents the gap between estimated revenue and appropriations in the subsequent year's appropriated budget

Operations – assigned for purposes of the Special Revenue – Operations Fund.

Parks – assigned for purposes of the Special Revenue – Parks Fund.

Unassigned fund balance – The residual portion of fund balance that does not meet any of the criteria described above.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

If more than one classification of fund balance is available for use when an expenditure is incurred, it is the District's policy to use the most restrictive classification first.

Use of Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. An example of such an estimate that has been made by management is depreciation expense.

NOTE 3 – CASH AND INVESTMENTS

Cash and investments as of December 31, 2019 are classified in the accompanying financial statements as follows:

	<u>Unrestricted</u>	<u>Restricted</u>	<u>Total</u>
Deposits	\$ 142,909	\$ 47,636	\$ 190,545
Investments	2,088,614	495,454	2,584,068
Total	<u>\$ 2,231,523</u>	<u>\$ 543,090</u>	<u>\$ 2,774,613</u>

Deposits with Financial Institutions

Custodial credit risk

Custodial risk for deposits is the risk that, in the event of a failure of a depository financial institution, the District will not be able to recover its deposits or will not be able to recover collateral securities that are in possession of an outside party. The Colorado Public Deposit Protection Act (PDPA) governs the investment of public funds. PDPA requires that all units of local government deposit cash in eligible public depositories. State regulators determine eligibility. Amounts on deposit in excess of federal insurance levels (\$250,000) must be collateralized. The eligible collateral is determined by the PDPA. PDPA allows the institution to create a single collateral pool for all public funds. The pool for all the uninsured public deposits as a group is to be maintained by another institution or held in trust. The market value of the collateral must be at least equal to 102% of the aggregate uninsured deposits. The institution's internal records identify the collateral by depositor and as such, these deposits are considered to be uninsured but collateralized. The State Commissioners for banks and

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

financial services are required by statute to monitor the naming of eligible depositories and reporting of the uninsured deposits and assets maintained in the collateral pools.

At December 31, 2019, the District's cash deposits had a bank balance of \$193,352 and a carrying balance of \$190,545.

Investments

The District has not adopted a formal investment policy; however, the District follows state statutes regarding investments.

The District generally limits its concentration of investments to obligations of the United States, certain U.S. government agency securities and Local Government Investment Pools, which are believed to have minimal credit risk, minimal interest rate risk and no foreign currency risk. Additionally, the District is not subject to concentration risk disclosure requirements or subject to investment custodial credit risk for investments that are in the possession of another party. Colorado revised statutes limit investment maturities to five years or less unless formally approved by the Board of Directors, such actions are generally associated with a debt service reserve or sinking fund requirements.

Colorado statutes specify investment instruments meeting defined rating and risk criteria in which local governments may invest which include:

- Obligations of the United States, certain U.S. government agency securities and securities of the World Bank
- General obligation and revenue bonds of U.S. local government entities
- Certain certificates of participation
- Certain securities lending agreements
- Bankers' acceptances of certain banks
- Commercial paper
- Written repurchase agreements and certain reverse repurchase agreements collateralized by certain authorized securities
- Certain money market funds
- Guaranteed investment contracts
- Local government investment pools

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

As of December 31, 2019, the District had the following investments:

<u>Investment</u>	<u>Maturity</u>	<u>Amount</u>
	Weighted Average	
Colorado Surplus Asset Fund Trust (CSAFE)	under 60 days	<u>\$ 2,584,068</u>

CSAFE

The District invested in the Colorado Surplus Asset Fund Trust (CSAFE) (the Trust), which is an investment vehicle established by state statute for local government entities to pool surplus assets. The State Securities Commissioner administers and enforces all State statutes governing the Trust. The Trust is similar to a money market fund, with each share valued at \$1.00. CSAFE may invest in U.S. Treasury securities, repurchase agreements collateralized by U.S. Treasury securities, certain money market funds and highest rated commercial paper. A designated custodial bank serves as custodian for CSAFE's portfolio pursuant to a custodian agreement. The custodian acts as safekeeping agent for CSAFE's investment portfolio and provides services as the depository in connection with direct investments and withdrawals. The custodian's internal records segregate investments owned by CSAFE. CSAFE is rated AAAM by Standard & Poor's. CSAFE records its investments at amortized cost and the District records its investments in CSAFE using the amortized cost method. There are no unrefunded commitments, the redemption frequency is daily and there is no redemption notice period.

Restricted Cash and Investments

At December 31, 2019, cash and investments in the amount of \$543,090 are restricted. This includes cash and investments held by the ARI Fund, if any, and the Debt Service Fund, pursuant to applicable contractual and debt requirements (see Note 5).

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

\$24,635,000 General Obligation Refunding Bonds, Series 2015

On September 10, 2015, the District issued \$24,635,000 General Obligation Refunding Bonds, Series 2015 (the Bonds). The Bonds were issued to refund on a current basis all of the District's outstanding General Obligation Bonds (Limited Tax Convertible to Unlimited Tax), Series 2005, the Subordinate General Obligation (Limited Tax Convertible to Unlimited Tax), Series 2008, and pay and cancel the District's Repayment Obligation incurred under a Debt Service Guaranty Agreement amounting to \$2,755,000. Principal payments are due annually on December 1, through 2045. Interest payments are due semi-annually on June 1 and December 1, with interest accruing at rates ranging from 4.00% to 5.00%. Repayment of both principal and interest on the Bonds are insured by Build America Mutual Assurance Company. Bonds maturing on or after January 1, 2030 are callable at par in any order of maturity on December 1, 2025. The bonds are rated AA by Standard and Poor's and A3 by Moody's.

The Bonds mature as follows:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2020	\$ 375,000	\$ 999,581	\$ 1,374,581
2021	390,000	984,581	1,374,581

2040-2044	7,245,000	1,272,769	8,517,769
2045	1,675,000	69,094	1,744,094
	<u>\$ 23,860,000</u>	<u>\$ 16,519,983</u>	<u>\$ 40,379,983</u>

\$1,150,000 Tax-Exempt Revenue Note, Series 2013, dated September 27, 2013

On September 27, 2013, the District entered into a Loan Agreement with US Bank for \$1,150,000 (the Note) in the form of a Tax-exempt Revenue Note, Series 2013, maturing September 1, 2023, at an interest rate of 3.86%, with interest and principal paid monthly, on the 1st of each month, commencing on November 1, 2013. The Note was issued for the purpose of acquiring land related to park and recreation facilities. The Note is payable from pledged revenue consisting of 1) all revenue derived by the District from the imposition of the Park and Recreation Fee, 2) any amounts held in the funds and accounts established under the Custodial Agreement and pledged to secure the Note; 3) and any other legally available moneys which the District determines, in its sole discretion, to credit as Pledged Revenue under the

WHEATLANDS METROPOLITAN DISTRICT

Authorizing Resolution. During the year ending December 31, 2019, the balance of the Note was paid.

Authorized Debt

On November 6, 2001 and November 2, 2004, a majority of the qualified electors of the District authorized the issuance of indebtedness in an amount not to exceed \$132,500,000 and \$732,750,000, respectively, at an interest rate not to exceed 18% per annum. At December 31, 2019, the District had authorized but unissued indebtedness in the following amounts allocated for the following purposes:

	Amount Authorized on November 6, 2001	Amount Authorized on November 2, 2004	Authorization Used			Authorized but Unissued
			Series 2005 Bonds	Series 2008 Bonds	Series 2013 Note	
Streets	\$ 23,000,000	\$ 55,000,000	\$ 19,877,670	\$ 6,980,190	\$ -	\$ 51,142,140

	<u>\$ 132,500,000</u>	<u>\$ 732,750,000</u>	<u>\$ 21,650,000</u>	<u>\$ 12,245,000</u>	<u>\$ 1,150,000</u>	<u>\$ 830,205,000</u>

Pursuant to the Amended Service Plan, the District is permitted to issue bonded indebtedness of up to \$85,000,000. The maximum mill levy is 50 mills for aggregate debt which exceeds 50% of the District's assessed valuation. The maximum mill levy may be adjusted if there are changes in the method of calculating assessed value, such as a change in the ratio of assessed valuation, provided the actual tax revenue generated by the mill levy are neither diminished or enhanced as a result of such changes. For the portion of any aggregate Debt which is equal to or less than 50% of the District's assessed valuation, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

In 2015, the 50 mill maximum for the maximum mill levy was eliminated for the purpose of refunding or refinancing existing outstanding debt (see Note 6).

The 2015 General Obligation Refunding Bonds do not consume any authorized amount because they were issued at a lower interest rate than the Bonds they refunded.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

NOTE 6 – AGREEMENTS

City of Aurora Intergovernmental Agreement

On February 2, 2015, the District entered into an intergovernmental agreement with the City of Aurora, (“Aurora IGA”). The Aurora IGA memorializes covenants and agreements related to the provision of services within the District defined in the District’s Service Plan. Included in the Aurora IGA is a debt issuance limitation of \$55,000,000 (subsequently changed to \$85,000,000 in the First Amendment to the Service Plan dated August 24, 2015), an agreement to impose the mill levy for Aurora Regional Improvements (ARI Mill Levy), and the establishment of the Maximum Debt Mill Levy of 50 mills while the District’s aggregate debt exceeds 50% and no Maximum Debt Mill Levy once aggregated District debt is 50% or less of the District’s assessed valuation. The Aurora IGA also sets the Maximum Debt Mill Levy Term of 40 years unless a majority of the board being residents have voted in favor of extending the term as a result of refunding that results in a net present value savings to the District.

On August 24, 2015, the District executed the First Amendment to the Aurora IGA. Pursuant to this amendment, the District is authorized to issue one or more series of unlimited mill levy Bonds or other Debt or obligations which are not subject to the Maximum Debt Mill Levy, for the purpose of refunding or refinancing outstanding debt existing on that date. Further, the District may pledge to the payment of such Refunding Bonds such revenues as it may determine, including the revenues from a mill levy to be imposed on all taxable property within the District without limitation as to rate and in such amounts as are sufficient to pay the Refunding Bonds as they come due.

On June 5, 2017, the District executed the Second Amendment to the Aurora IGA which clarified some terms in the Aurora IGA related to the ownership and maintenance of certain Public Improvements.

As mentioned above, pursuant to the Service Plan, the District is required to impose the Aurora Regional Improvement (ARI) Mill Levy on property within the District’s boundaries. This mill levy is 1.000 mill for the first twenty years of the District, which for this purpose begins the first year that the District certifies a debt service mill levy. The levy increases to 5.000 mills for year twenty-one through forty or the date of repayment of the debt incurred for public improvement other than regional improvements, whichever occurs first. For the ten years subsequent to the period where the 5.000 mills is imposed, the ARI mill levy is the average of the debt service mill levy for the previous 10 years. The ARI Mill Levy may be adjusted if there are changes in the method of calculating assessed valuation, such as a change in the ratio of actual valuation to assessed valuation, provided the actual tax revenues generated by the mill levy are neither diminished nor enhanced as a result of such changes.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

South Aurora Regional Improvement Authority Establishment Agreement

On July 10, 2017, the District entered into the South Aurora Regional Improvement Authority Establishment Agreement (“SARIA IGA”) between the District, the City, and other unrelated metropolitan districts (collectively the “Parties”) to form the South Aurora Regional Improvement Authority (“Authority”). The Authority was organized for the purpose of planning, designing, constructing, installing, acquiring, relocating, redeveloping and financing the Regional Improvements designated in ARI Master Plans.

The Authority is authorized to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of Regional Improvements from the ARI Mill Levy, and/or the proceeds of revenue bonds to be issued by the Authority or may delegate and assign those rights and responsibilities to individual Parties.

Each of the Districts which are Parties to this Agreement agree that the Authority may fund its operations with the ARI Mill Levy revenues transferred to the Authority. The amount of money necessary to fund the operations of the Authority shall be determined each year as a part of the budget process.

On October 2, 2018, the Districts entered into the First Amendment to the SARIA IGA primarily to confirm that each of the Parties to the SARIA IGA have made their initial contributions to the Authority and to allow for the transfer of the District’s ARI Mill to either the Authority or the Bond Trustee designated by the Authority in writing.

Upon approval of an ARI Master Plan by the Authority and the District, the financial obligations of the District to remit the ARI Mill Levy to the Authority hereunder shall be a multiple fiscal year financial obligation of the District, payable from ad valorem property taxes, net of County treasurer’s fees, generated as a result of the certification by the District of the ARI Mill Levy. From and after the date of each District's approval of the ARI Master Plan or Plans, the District's ARI Mill Levy, as limited hereby, is pledged to the punctual payment of the obligations of the Authority with respect to the Authority's revenue bonds or other financial obligations. On December 8, 2017, the Parties to the SARIA IGA approved the South Aurora Regional Improvement Authority ARI Master Plan Number One (“ARI Master Plan Number One”). On June 15, 2018, the Parties to the SARIA IGA approved the South Aurora Regional Improvement Authority ARI Master Plan Number Two, (“ARI Master Plan Number Two”) which supersedes ARI Master Plan Number One. ARI Master Plan Number Two prioritizes regional improvements projects within the Authority. In accordance with the SARIA IGA, the District remitted \$39,828 to the Authority. Additionally, during 2019, the District utilized \$1,939 of the SARIA funds for improvements benefiting the region, pursuant to the ARI Master Plan.

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

Wheatlands Park and Recreation Authority

On January 19, 2017, the District entered into the Wheatlands Park and Recreation Authority Establishing Agreement with the High Plains Metropolitan District to create the Wheatlands Park and Recreation Authority (“WPRA”). The WPRA is organized for the purpose of planning, financing, designing, constructing, installing, operating, maintaining, repairing and replacing park and recreation improvements and facilities within the Wheatlands community.

On February 4, 2019 the District entered into an intergovernmental agreement with the WPRA (“WPRA IGA”) to memorialize among other things, the membership fee defined as the District Rate multiplied by the number of Member Residences. The District Rate is defined as \$30 per month for each of the Member Residences, as defined in the WPRA IGA. In addition, the WPRA IGA defines the Reserve Fund Payment of \$5.00 per month per Member Residence the District will pay to WPRA until WPRA, at its sole discretion or as otherwise limited by the Applicable Loan Documents, determines the Reserve Fund Payment to be no longer necessary. During the year ended December 31, 2019, the District remitted \$421,960 to the WPRA pursuant to the WPRA IGA.

On September 18, 2019 the District sold a parcel of undeveloped land with a book value of \$1,074,495 to WPRA in the amount of \$619,465. As a result of the transfer, the District recognized a loss of \$455,030 on the sale and reported the transaction as a special item, following general revenues, in the government-wide statement of activities. In the fund statements, the District reported the sale as a special item in the Special Revenue Park Fund. The WPRA is currently building a community recreation center on the land.

NOTE 7 – INTERFUND TRANSFERS

During the year ended December 31, 2019, the District transferred \$2,165,000 from the General Fund to the Special Revenue Park Fund to provide funds related to the construction of Wheatlands Park.

NOTE 8 – RISK MANAGEMENT

The District is exposed to various risks of loss related to torts, thefts of, damage to, or destruction of assets; errors or omissions; injuries to employees, or natural disasters.

The District is a member of the Colorado Special Districts Property and Liability Pool (“the Pool”) as of December 31, 2019. The Pool is an organization created by intergovernmental agreement to provide property, liability, public officials liability, boiler and machinery and workers compensation coverage to its members. Settled claims have not exceeded this

WHEATLANDS METROPOLITAN DISTRICT

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2019

coverage in any of the past three years.

The District pays annual premiums to the Pool for liability, property, public officials liability and workers compensation coverage. In the event aggregated losses incurred by the Pool exceed amounts recoverable from reinsurance contracts and funds accumulated by the Pool, the Pool may require additional contributions from the Pool members. Any excess funds which the Pool determines are not needed for purposes of the Pool may be returned to the members pursuant to a distribution formula.

NOTE 9 – TAX, SPENDING AND DEBT LIMITATIONS

Article X, Section 20 of the Colorado Constitution, commonly known as the Taxpayer's Bill of Rights ("TABOR"), contains tax, spending, revenue and debt limitations which apply to the State of Colorado and all local governments.

Spending and revenue limits are determined based on the prior year's Fiscal Year Spending adjusted for allowable increases based upon inflation and local growth. Fiscal Year Spending is generally defined as expenditures plus reserve increases with certain exceptions. Revenue in excess of the Fiscal Year Spending limit must be refunded unless the voters approve retention of such revenue.

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of Fiscal Year Spending (excluding bonded debt service). Local governments are not allowed to use the emergency reserves to compensate for economic conditions, revenue shortfalls or salary or benefit increases.

On November 2, 2004, the voters approved the District to increase taxes \$2,000,000 annually for the purpose of paying the District's operations, maintenance and other expenses without regard to any spending, revenue raising or other limitation contained within Article X, Section 20 of the Colorado Constitution or any other property tax limitation or law. Additionally, the voters authorized the District to collect, retain and expend each year all revenues it receives from all sources as voter-approved revenue changes and without regard to any spending, revenue raising or other limitation.

The District's management believes it is in compliance with the provisions of TABOR. However, TABOR is complex and subject to interpretation. Many of the provisions, including the interpretation of how to calculate Fiscal Year Spending limits will require judicial interpretation.

Notes:

- (1) Represents a contractual obligation for Aurora Regional Improvements.
- (2) Final certified assessed valuation, mill levies for 2017 (2018 collection year) certified in December 2017. The certified assessed valuation for 2017 taxes to be collected in 2018 reflects a decrease in the residential assessment rate from 7.96% to 7.20%.
- (3) Final certified assessed valuation, mill levies for 2019 (2020 collection year) certified in December 2019. The certified assessed valuation for 2019 taxes to be collected in 2020 reflects a decrease in the residential assessment rate from 7.20% to 7.15%.
- (4) Property taxes collected in any one year include collection of delinquent property taxes levied in prior years. Information received from the Arapahoe County Treasurer does not permit identification of specific year of levy.
