**PART D. RESPONSE TO FINDING CRITERIA (Section 46-133 (2))**

|   |                               |
|---|-------------------------------|
| <p>The Board of Adjustment and Code Enforcement will consider the application based on the criteria found below. Please respond to each item as completely and thoroughly as possible. Additional sheets may be attached as needed with this application.</p> |                               |
| <p>a. Special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district.</p>                                       |                               |
| <p>b. The special conditions and circumstances do not result from the actions of the applicant.</p>   |                               |
| <p>c. Granting the variance requested will not confer on the applicant any special privilege that is denied by these land development regulations to other lands, buildings, or structures in the same zoning district.</p>                                   |                               |
|   | <p>Continued on next page</p> |

**PART D. RESPONSE TO FINDING CRITERIA CONTINUED**

|  |  |
|--|--|
| <p>d. Literal interpretation of the provisions of these land development regulations would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of these land development regulations and will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of these land development regulations would result in unnecessary and undue hardship on the land</p> |  |
| <p>e. The variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure.</p>   |  |
| <p>f. The grant of the variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of these land development regulations would result in unnecessary and undue hardship on the land.</p>  |  |
