Informed Consent & Assumption of Risk

By agreeing to become a member and participant in the activities of the Gibsons Curling Club, I acknowledge that I am aware of the risks and hazards associated with and related to curling. Such risks and hazards include, but are not limited to, injuries caused by slippery ice surface, heavy stones, physical exertion and cold environment.

The novel coronavirus, COVI-19, has been declared a worldwide pandemic by the World Health Organization and COVID-19 is extremely contagious. Gibsons Curling Club, as well as Curling Canada and the BC Curling Association has put in place preventative measures to reduce the spread of VOICI-19; however, the organization cannot guarantee that I will not become infected with COVID-19. Participating in any activities at the Gibsons Curling Club could increase my risk of contracting COVID-19, or any other communicable diseases, including viruses of all kinds, bacteria, parasites, or other organisms or any mutation thereof.

I agree to assume such risks and hazards, to take whatever precautionary measures I feel appropriate to reduce those risks and hazards such as wearing proper footwear and headgear, and fully comply with the COVID-19 Declaration of Compliance requirements.
