

TUITION

Tuition rates and payment policies are established each year by the Pastor and Principal. Parents who are not able to meet their payments during the school year should meet with the Principal.

As Parish Administrator, Rev. Paul Coughlin's expressed goal is to make a Catholic school education affordable for parents. Tuition rates are set to meet this goal. In addition to tuition, however, there is one mandatory fundraiser in which all families are expected to participate.

The rates for 2017-2018 are as follows:

Pre School Program	5 Days	3 Days	2 Days
Child in Pre-School Only	\$6,925.00	\$5,650.00	\$4,800.00
Child with Sibling in K-8	\$6,550.00	\$5,400.00	\$4,550.00
K-8			
1 Child	\$ 5,250.00		
2 Children	\$ 8,775.00		
3 Children	\$10,750.00		

The mandatory fundraiser contribution per family will be \$200.00

The rates for 2017-2018 for International Students are as follows:

K-8	Tuition Per Child	\$ 9,000.00
	Non Refundable Application Fee	\$ 300.00

Tuition Assistance

Limited tuition assistance is available through the Catholic Schools Foundation. In order to determine eligibility, a FACTS form, which can be found online (www.factstuitionaid.com), must be completed. FACTS helps Saint Raphael School determine the amount each family needs to afford the stated tuition rates. However, due to the limited amount of monies available, there will not be sufficient funds available to provide aid for all the families that qualify. We determine which families are most in need and attempt to help them to be able to afford a Catholic education for their children. Saint Raphael School families also benefit from financial aid from other charitable foundations, such as the St. Vincent DePaul Society and from private anonymous donors. Typically, grants from these sources are provided to families who have completed the FACTS process.

Smart Tuition

Smart Tuition manages the tuition payment program for our school. Parents have the option of paying tuition in one, four, eight, or ten payments. Parents will receive invoices from Smart Tuition beginning in July. Fees for our afterschool enrichment programs and Discovery Club will be billed as used.
