

Before and After School Discovery Program 2018-2019

Discovery is a Before and After School Program at Saint Raphael School. The program provides parents the opportunity to have their child cared for in a safe environment before school, 7:00 a.m. onward, and after school **until 6:00 PM**. The Discovery Coordinator will supervise the children in grades K-8. Additional staff will directly supervise our preschool children.

The program has a variety of play options. Some children may spend their time reading or doing homework; others become engaged with building blocks or a board game. While some children need quiet time and may play by themselves, others become engaged in activities with others. Unlike adult run activities, the program allows children to discover how to use their own imaginations and creative spirits to play and enjoy activities with playmates.

Discovery is a flexible program. Students may attend one of our other After School Enrichment Programs, then go to Discovery until their scheduled pick up time. Parents decide the days and hours to use the program. However, parents must communicate with the appropriate staff member if there are any changes in the scheduled time.

Discovery is offered Monday through Friday when school is in session, from 2:15 dismissal to 6:00 PM. The school calendar identifies the days when Discovery is not offered, usually the day before vacations and some early dismissals. Every effort will be made to provide as much advance notice as possible in the event Discovery is not scheduled. Children should bring an Allergy Aware snack, per our Allergy Aware Policy, to have in the afternoon. Allergy Aware snacks can also be purchased through our cafeteria program, through their lunch account.

Fees The cost of the program is \$6.00 per half hour or portion thereof. Each additional sibling is \$3.00 per half hour. The fee after 6:00 PM is \$2.50 per minute. Families will be billed each month through Smart Tuition. All accounts must be paid by the monthly due date. Families who are delinquent will not be able to use this service.

Please complete this portion of this form and return it to school. I am interested in enrolling my child/children in the Discovery Club After School Program.
