After School Matters Netiquette

- I will practice internet safety (use trusted sources for research and keep my password and login information secure).
- I will report threatening or offensive materials to my instructor.
- I will be kind in my interactions with others online and create a positive digital footprint.
- I understand that it is inappropriate AND against the law for me to violate copyright laws; plagiarize; send, access, upload, download, or distribute explicit material.
- I understand that all my internet activity leaves a digital trail. I should NOT assume that all material or data on my device is private or confidential.
- I understand that inappropriate use, including cyberbullying and use of inappropriate materials may lead to dismissal from the program.
