KAB dedicates our 2022 Recycling Directory to **Philicia McKee**  
**Executive Director**  
2005-2021  
Thank you for your incredible leadership and dedication to our organization.
IMPORTANT COVID-19 NOTICE:
PLEASE VERIFY CURRENT DAYS AND HOURS OF OPERATION
WITH ALL VENDORS

Non-Recyclable Items

If you have determined from the directory that your item is not recyclable, reusable or cannot be repurposed, please read below for more information about items sent to our landfill.

Most trash haulers will accept one large item per week such as mattresses or furniture. Please give them a courtesy call to make certain the item will be accepted, and you follow their protocol.

Rolling Meadows Landfill

Walgreens and Blue Cross/Blue Shield have formed a partnership for the safe medication disposal. Kiosks allow individuals, free of charge, to dispose of their unwanted, unused, or expired prescriptions, including controlled substances, and over-the-counter medications, safely and conveniently. In Topeka, the kiosks at Walgreens pharmacies are located at 10th and Topeka and are available during regular pharmacy hours and offer one of the best ways to ensure medications are not accidentally used or intentionally misused by someone else. They do NOT accept syringes. Syringes should be taken to the Shawnee County Household Hazardous Waste Facility.
