PUMPKIN CARVING  
Parties

Take a group trip to your local pumpkin patch where you can visit the petting zoo and corn maze. Follow it up with a **pumpkin carving party!**

- ❖ *Service opportunity:* ask if you can help host a face painting booth or volunteer to work the corn maze
- ❖ *Alumni involvement:* ask your alumni to come judge their favorite pumpkins

TRUNK *or* TREAT

Host a trunk or treat party at your lodge sometime during October. Decorate the trunks of cars and pass out treats in a safe setting. *Invite potential members, the local community, and all of the masonic youth groups to get involved.*
