

What is CAIORG?

The International Order of the Rainbow for Girls (IORG) is a non-profit, service-based youth organization with programs for girls ages 8-20. Our organization helps to get girls ready for life by teaching our members important life skills, such as leadership and public speaking.

Every year, we have a statewide service project where we raise money for a non-profit charity. In the past, we have given our time and efforts to charities like Megan's Wings, Families Forward, and A Place Called Home. On a local level, we strive to help our communities in many ways. This includes making blessing bags for the homeless, tying blankets for hospitals, volunteering at local food banks, and more! In addition to service projects, we also have a lot of fun. Some of the many fun things we do are: statewide camps, mystery trips, and our annual statewide convention!

Our organization looks amazing on college applications and offers college scholarships to our members to further their higher educational goals.
