### What to bring each day:

Please send in a backpack/bag that the child can carry his/herself

- Hat
- Water bottle
- Towel
- **Wear swim suit under clothes every day.** We try to conclude camp at the beach most days. Plan for wet and/or sandy kids during pickup.
- Camp t-shirts are *highly* recommended each day (extra camp shirts can be purchased for \$10 each).
- Dress in layers for the cool morning marine layer
- Wear sunscreen (we will also have spray sunscreen available)
- Snacks will be provided each day

### This Week's Schedule:

Each day, campers take part in sea themed activities and will win prizes for participating.

**Monday: Slimy Squid** - We're starting camp with a squid dissection. Today, campers will get their Roundhouse Camp t-shirts. Campers will learn more about squid and their cousin, the octopus. They'll also find out how squid breathe, eat, and change colors. Campers will then see the food chain in action as we feed the squid to our tanks!

**Tuesday: Mad Scientist Day**- Peak your curiosity about all things scientific, weird, and interesting with today's activities. Campers will become scientists as we perform experiments and ask the most important question of all: "why does that happen"?

**Wednesday: Birds of a Feather**- Become a bird naturalist for a day as we spend the morning discovering what it means to be a bird. Campers will make their own pair of binoculars out of recycled material and then head to the beach to find out what adaptations make birds unique!

**Thursday: Trash Monster!** - Today is dedicated to protecting our beaches as we learn why it's important to put trash in the trash can. We'll make a recycled craft together and might even come across the trash monster! Don't worry, we'll have some wet sponges ready to get the trash monster away, but we can't guarantee you'll stay dry on this day!

**Friday: Surf's Up!** – Today's beach day! Be ready for a day in the sun, on the sand and in the water! **Be sure to have a swim suit and towel!**
