Katy United Volleyball 2020-2021 Club Season Fee Information

A \$600 Commitment Fee (CF) will be invoiced to your KU Parent Portal Account if an offer is made and accepted. This must be paid immediately. Your player's position is NOT secure until paid!

Commitment Fees are NON-Refundable No Matter The Circumstance!

Once your player has committed to a team, you have committed to the **WHOLE SEASON** and **TOTAL SEASON FEES**. All fees paid to Katy United are **NON-refundable**. Players will sit out of Katy United Events until payments are up to date. Please Note: We have taken great thought into this season due to possible Covid-19 Season shutdowns. We have made a few changes to benefit our families. See our Tryout Letter on our website for details.

Once players are on a roster & the CF is paid, an invoice for team fees will be loaded to your account portal. You will be responsible to open your portal to view your invoice once they are assigned. 1st payment is due by August 5th and the 5th of the month until May 2021. Late payments (on the 8th or after) will incur a \$20 late fee!

Due to Covid-19, we will not accept "Pay in Full". We will set up parent portal accounts to pay 10 consecutive monthly payments (August-May). Pay via credit card/bank debit card, which will incur a bank convenience fee. You can put a card on file and choose Auto-Pay or choose each month how many months you want to pay. We will accept PayPal to the KU account (tiffanyd@katyunited.com) or check payments made payable to Katy United Volleyball **AT THE ACCOUNTING OFFICE ONLY. DO NOT DELIVER PAYMENTS TO THE GYM**. PayPal and Check payments must be received on or before the 1st day of the month. Email tiffanyd@katyunited.com for specifics or questions.

Sibling discount of 5% will be applied to the sibling with the lesser club fee. Sibling discounts will not be combined with any other discount. Please email tiffanyd@katyunited.com to make her aware of siblings.
