

Corporate Housing Company Suite Home Chicago Heads North

Corporate housing company, [Suite Home Chicago](#) heads north expanding offering of fully furnished apartments into Milwaukee.

Chicago, Illinois ([PRWEB](#)) September 01, 2016 -- "Suite Home Milwaukee" is open for business!

The team at Suite Home Chicago is excited to announce their recent expansion into the Milwaukee market, offering luxury, corporate apartments within the city limits and its' surrounding suburbs. With a dedicated team in place, our clientele can expect the same great Suite Home service in this newest location.

"Our corporate clientele has been asking us for years to set up fully furnished apartments in Milwaukee," Suite Home owner Jennifer Breen said. "Our team prides itself on knowing the Chicago area like the back of our hand, and we just did not want to set up apartments in Wisconsin until we felt comfortable knowing the market like we know our hometown."

Breen continued, "After 9 months of quietly setting up apartments and learning everything we can about Milwaukee and its suburbs, we felt the time was right to establish our position in the market."

Currently, Suite Home offers temporary furnished apartments in downtown Milwaukee, and in nearby suburbs Brookfield, Oak Creek, and Wauwatosa.

This expansion is also a coming home for Suite Home Business Development Manager Jennifer Gams. A Green Bay native, Jennifer said, "It is an exciting time to be part of all the development and corporate activity in Milwaukee Metro." Gams continued, "And the bonus is I do not have hide my Green and Gold anymore!"
