

Combo Event Information

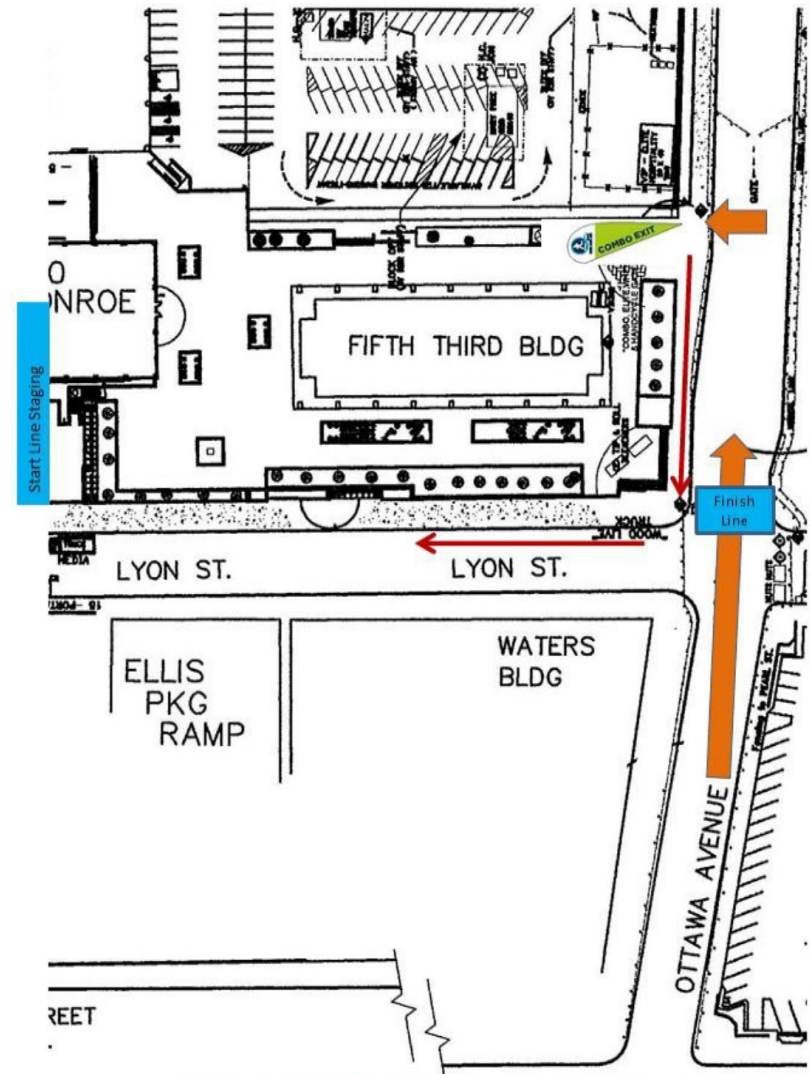

Participants registered for multiple events (“combo” events), below is information so your race day goes smoothly.

Bib/T-Shirt Pickup - will be located at the **Solutions Area** at the Sports and Fitness Expo.

Race Day - You will have multiple bibs – one for each registered event

- ONLY wear the appropriate bib per event (**wearing multiple bibs while crossing the start/finish lines will cause results to not be properly recorded**)
- To accommodate for a speedy bib change:
 - Have a family/friend hold your other event bib(s) and coordinate a location near the start line to swap bib for the next event
 - Or, the Welcome Center (lobby of Devos Place) will hold your bib(s). After crossing the finish line – go directly to the Welcome Center to swap out your bib(s) (*look for the Combo gate and head down Lyon toward Monroe*)
 - If using Official Gear Check – **do not** leave your bib(s) with your checked gear
 - Proceed to the start line

We look forward to helping you with multiple successful events this year. If you have any questions, [email](#) the race office. Thank you!
