

2021 is the 20th anniversary of the September 11th attacks, a time to honor heroes who rushed in to help and those they tried to save. In solemn remembrance of their lives, an original commemorative pop-up public art installation will feature prominently at the *Prickly Pear Jamboree* daylong event on September 11th, 2021.

In addition, you can honor a local service member or first responder who gave their life in service to our country by sending us their name which will be included on a memorial banner.

Thank you for helping our community Remember and Reflect together. Send us the name and a special memory you would like to share about the person being honored.
