

Covenant Keepers 2022

“Building a Bridge of Faith”

Covenant Keepers is our new stewardship program. It provides an opportunity for you to make a covenant with God through King of Peace MCC in six areas of your life. This program is designed to help us grow as individuals and together as a Church. Our theme this year is “Building a Bridge of Faith”. Each Sunday we will add a plank to our Bridge of Faith that will help us on our stewardship journey.

The Bible teaches that we are to be good stewards or overseers of all God gives us. Please prayerfully consider becoming a Covenant Keeper and return the Covenant Commitment portion to the Church by **November 21st, 2021.**

PRESENCE is important because we come into the presence of God with other Christians through Worship. Presence in worship touches us in a way unlike any other setting. Worship is a gift that nourishes a healthy self-esteem and strengthens our spiritual muscles of faith, hope and love.

SPIRITUAL GROWTH is a quest to know God. God greatly desires a relationship with us. We grow through scriptural study, meditation, interaction and reflection with other Christians.

FINANCIAL SUPPORT is a necessity for the ministries of King of Peace MCC. God is generous and expects us to be generous too. Giving a portion of our finances is a way of expressing our generosity.

PRAYER is simply communicating with God. When we pray, our awareness of God’s love and presence deepens and our relationship with God is strengthened. Prayer is essential to a healthy and growing spiritual life.

WITNESS is demonstrating Christ’s love to the world. We are called to be a witness to that love. Those around us should experience Christ through our lives, actions and words. As we share our Christian stories with others, they too will be able to connect with Christ.

SERVICE is an opportunity for us to use our spiritual gifts. God has blessed us all with different and wonderful gifts, and each of us is called to serve with all of our gifts, skills and talents. King of Peace MCC can provide you with an area to serve.
