

--- The United States Constitution Carta 2016 ---

We hold these truths to be self-evident, that IN TIME, ALL FEDERAL DEPARTMENTS BECOME COUNTER PRODUCTIVE SELF DESTRUCTIVE AUTOCRATIC OPPRESSORS OF LIBERTY. The FREE men and women of the United States of America recognize that we the people are endowed by our creator with certain unalienable rights that among these are Life, Liberty and the Pursuit of Happiness. To secure these rights, governments are instituted among men and women, deriving their just powers from the consent of the governed, that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their safety and happiness.

It is with these undeniable self-evident truths, we the people recognize the burdens brought upon us by destructive politics our government devised by men seeking uninhibited powers. We the people call upon our representatives to adhere to the following principles, to right themselves by abolishing the forms to which they are accustomed. The following self destructive government entities are to be eliminated, disseminated and abolished.

- Department of Energy*
- Department of Environmental Protection Agency*
- Department of Commerce*
- Department of Agriculture*
- Department of Education*
- Department of Homeland Security*
- OBAMACARE*

The above mentioned departments are to be completely abolished in within a period of 12 Calendar Months to ensure jobs and economic freedom in the United States of America and throughout the world.
