

# Welcome!

## **THINGS TO KNOW IF YOU'RE INTERESTED IN ATTENDING THE ZOOM MEETINGS:**

You can attend on your computer, phone, or tablet. Download the zoom app on your phone/tablet or go to [zoom.us](https://zoom.us) on your computer. **ITS FREE.** DO NOT pay for the paid version.

*\*\*When signing up, YOU DO NOT NEED TO PUT YOUR FULL LAST NAME, ONLY LAST INITIAL, THIS IS FOR YOUR ANONYMITY\*\**

## **ACCESSING MEETINGS:**

All meeting rooms will open 15 minutes prior to meeting. Click on the links under the meeting you would like to attend (on zoom [meeting list](#)), and you will be taken directly to the meeting place, if prompted for password then enter 1212.

ANOTHER OPTION: On the zoom app you can click the 'join' button. After pressing join you will be prompted to provide the meeting ID#. All ID's are provided on [meeting list](#). If it asks for a password, our password will always be 1212.

## **DURING MEETING:**

When someone is speaking, it is proper zoom etiquette to mute your volume. This is out of respect for whoever is speaking because unexpected background noise can be distracting. We suggest that you mute and unmute yourself but if you have problems doing so then the host will do it for you. You can let the host know that you would like to speak next by using the 'chat' function or by 'raising your hand' button. If you have questions about this ask the host prior to or after the meeting.

*We are learning, please be patient and considerate.*

*We realize we know only a little. God will constantly disclose more to you and to us...*
