***Individual Routines** consist of diapering and/or toileting all day long when the child needs it. Diapers will be checked and/or changed every two hours.

***Weather permitting:** All children go outdoors every day unless there is active precipitation. There is no bad weather just bad clothing. When weather does not permit outside we have gross motor activities.

***Free Play** consists of all children having access to all the activity areas and toys all day. Teachers will add activities and toys to help stimulate each child's development.
