

THE CHILDREN'S CAMPUS
ROOM 6
NOVEMBER NEWSLETTER

Hello Parents,

We hope you are all doing well and staying healthy. The children had a lot of fun at their fall festival party.

The month of November starts off with a theme on the FARM. We will talk about what animals live on farms. During circle time we will make butter, then we will enjoy eating the butter on crackers.

The class will make a list of HEALTHY FOODS. We will talk about why some foods are so healthy and good for you and others not. We will paint pictures of our favorite vegetables and fruit.

How can we take care of OUR BODIES? We will have a fun game of "Simon Says" and work on body part names. We will listen to a book about bodies and how we all have different shaped bodies.

The last theme for the month will be THANKSGIVING. Does your family do anything special for Thanksgiving? What are some of your favorite things to eat for Thanksgiving dinner?

Looks like another month of learning and fun.

Ms. Diane and Ms. Amber
