

## The Children's Campus Room 3

Dear Parents,

November is here! We are looking forward to starting the month of November. We have tons of enjoyable lessons and learning planned for the next few months.

We will start this month off by introducing vegetables and fruit. We will be talking about all the different varieties and how they grow. We will be adding more items to housekeeping so our children can pretend play while being at a shopping center. We are going to talk about healthy choices. We will also talk about what veggies and fruits we like the most.

Farm animals, my body, and Thanksgiving are some of the other things we will explore later in the month. What are the different parts of my body? What are some things we eat during Thanksgiving?

Lastly, as we welcome a new month, we will be welcoming some new friends. Yay! As always if you have any questions please feel free to ask and remember you can always call the school and we will be able to speak to you directly.

Thanks,

Ms.Ashley & Ms.Portia

### Weekly Themes

November 2nd - November 6<sup>th</sup>  
Veggies/Fruit

November 9th - November 13<sup>th</sup> Farm  
animals

November 16th- November 20<sup>th</sup> My  
body

November 23- November 25<sup>th</sup>
