SOMETHING TO THINK ABOUT

1. Do you tend to make Christmas into a materialistic holiday?
2. In our last series, we talked about the importance of budgeting. Rev. Mike also reminds us of the importance of budgeting in this sermon. How does having a budget and using it keep us from turning Christmas into a materialistic holiday?
3. We are God's hands and feet here on earth. How can we use our resources to help others this Christmas? Why should we even consider doing this?
4. Rev. Mike pushes us to understand that Christmas is a time for us to reorient our values. What are some things you need to reorient this season?
5. What are some needs you see in our community that you could help meet this Christmas? What is keeping you from doing these things?

PUTTING IT INTO PRACTICE

Take action in prioritizing Jesus above yourself this Christmas season! One way to do that is to adopt a child from the Giving Tree. These children attend Bernard Terrace Elementary and may not receive Christmas gifts otherwise. To sign up, email info@midcity.church.
