Are you interested in hosting a Tournament at Brewster's in 2021?  
We ask that you contact us directly at 403-673-2700 or at

At present, the Alberta Government has enacted a number of public health orders that limit our ability to host a traditional golf tournament. With that said, this is a fluid situation and protocols and policies are changing all of the time. There are still ways to safely host golf tournaments and we would love an opportunity to discuss them with you to ensure that meet the needs and vision for your event.

Wishing you health, happiness and great golf in 2021!
