To whom it may concern:

On behalf of the Galt Museum & Archives Board of Directors, I am happy to write this letter in support of the Exhibition Park Redevelopment project. The Board members received a presentation on the proposed project from Rudy Friesen at our January 2013 meeting. Following a discussion on the matter, the Board voted in favour of supporting the project. We are optimistic that a new Exhibition Park will benefit our entire community with increased recognition, revenue and tourism.

We wish the planning committee well, and appreciate the opportunity hear firsthand about this exciting project.

Warmest regards,
