### Catalyst Clean-Up Day and Chili Cook-off

On Saturday, Nov. 3rd, we're having a church clean up day. Here's a list of things that we'll need to do:

- Scrape and paint around the entry door to the Children's building.
- Replace all of the flushing mechanism for one of the toilets in the women's restroom.
- Replace some of the light ballasts in the basement.
- Clean up the weeds behind the church building around the air conditioning units.
- Fix the concrete facade on the church steps.
- New mulch in front of the Children's building.
- Tree Cleanup.
- Repaint the pillars on the Children's building.
- Rake the leaves around the property.

As you can see, there's a lot of work to be done, and we can use folks of any age or gender to help out. We'll be providing donuts, coffee and apple cider for anyone who's there to help out. Everything starts at 10am. Afterwards, we'll be having a chili cook-off to celebrate the work we've done and eat some seriously good food. If you are interested in entering the cook-off, just bring a crock pot with your best chili that morning.
