YOUR STORY MATTERS

Sharing our story is God's preferred way of reaching people

One of the most impactful ways of reaching people is through our own story. Jesus himself recommends it. As a matter of fact, He commands it. "Ye are My witnesses, saith the Lord, that I am God." Isaiah 43:12. "You shall be witnesses to me in Jerusalem, and in all Judea and Samaria, and to the end of the earth." Acts 1:8. Ellen White affirms: "Our confession of His faithfulness is Heaven's chosen agency for revealing Christ to the world. ... that which will be most effectual is the testimony of our own experience." DA. 347

We all have our own stories and God can use each one in His own way to fulfill His purpose.

Ellen White further declares: "Every individual has a life distinct from all others, and an experience differing essentially from theirs. God desires that our praise shall ascend to Him, marked by our own individuality. These precious acknowledgments..., when supported by a Christ-like life, have an irresistible power that works for the salvation of souls." DA. 347

Compassion Driven Ministries desires to use this forum, as a channel through which many can share their stories to the glory of God and the blessing of others. We invite you to share your stories. Experience the power of vulnerability and overcome the trauma of shame and anxiety, as you share your adverse life experiences.

Share your stories of deliverance and witness the delight in others, as they are encouraged, unburdened, and motivated by your testimony of God's goodness.

The Compassion Prayer

Dear God, You love me with an everlasting love and care for my every need. I am your child and I love you. I accept the righteous life that your son Jesus lived on my behalf. Fill me with the Holy Spirit so I can live the sanctified life. I seek your divine appointment to be engaged in acts of hospitality, acts of kindness and acts of healing. Make me sensitive to the expressed and unexpressed needs of others. Move me with compassion to satisfy those needs. May the purity of Your character, the power of Your compassion, and the beauty of Your love be seen in me today.

In Jesus' name I pray. Amen.

THE COMPASSION DAILY SEVEN

Compassion is essential for effective ministry. It is the heart of Christ method. If we are to achieve the greater works spoken of by Jesus in John 14:12, it is important that we understand and be driven by compassion. We are required to embrace Christ method, but we are not naturally moved with compassion like Christ was as we see in Matthew 14:14. Although we are not naturally moved with compassion the good news is, compassion can be learned. Studies show that habits repeated for 30 to 90 days become part of who we are. Proverbs 23:7 tells us, "As a person thinks in his heart so is he." Ellen White in her book, Education, states that the greatest want of the world is the want of people who are true, honest, and unwavering, "...whose conscience are as true to duty as a needle to the pole," people who "will stand for the right though the heavens fall." Such a character, however, does not come by chance or "special favors or endowments of providence." She declares, "A noble character is the result of self-discipline, of the subjection of the lower to the higher nature – the surrender of self for the service of love to God and man."

In modern science this is referred to as upper brain dominance. In other words, putting the Limbic System in subjection to the Pre-frontal Cortex - restoring the frontal lobe. Paul calls it the death of the carnal man and the resurrection of the spiritual man, the triumph of the spirit over the flesh. In other words, living the life of Christ.

The Compassion Daily 7 is a set of seven habits which we believe if practiced will aid in restoring our Pre-frontal Cortex and give us upper brain dominance.

Dr. Bryce in one of his presentations refers to this as Top-down Control. This video presentation can be viewed at www.compassiondriven.org.

These seven habits represent our commitment to achieving the self-discipline that will result in the character and mindset that will be moved by compassion. We invite you to join us in daily surrender before God, seeking for Him to humble us, take control of Pre-frontal Cortex, and put our Limbic System under control - subjecting the lower nature to the higher nature.

ASK DR. BRYCE

QUESTIONS

How can one become
Compassion Driven?

How can I become
part of Compassion
Driven Ministries?

The short answer is we become compassion driven by developing the character of Christ. Psalm 86:15 tells us that our God is full of compassion. Matthew 14:14, for example, tells us that Jesus was moved with compassion toward people. Compassion, therefore, is a distinct trait of God. Paul admonished us in Philippians 2:5, "Let this mind be in you, which was also in Christ Jesus." So, aiming to be compassion driven is aiming to have the mind of Christ.

Once we have this awareness, there are certain steps we can take to develop the trait of compassion. Developing the character of Christ begins with humility and is followed through with daily surrender and a lifestyle of self-discipline. Our Compassion Daily Seven sets out a lifestyle of daily habits that we are confident, if followed will put us on the path to developing a character like Christ's, thus becoming compassion driven.
