

**We are pleased to open registration to our existing club members for the Spring/Summer Soccer Season starting Saturday February 27th! Registration will be open for players U3 - U10 only**

**We will then open registration for non club members on Sunday March 7th.**

Given the uncertainty with Covid-19, we will be asking registrants to register for soccer to reserve a spot, however payment will be accepted at a later date.

### **Register Now and Pay Later**

We are hopeful to run a normal season, however we ask for your patience and understanding if things may need to change on a moment's notice. We will be adhering to all City and MLHU rules and recommendations to safely run our program, which may require smaller team sizes, changes in how practices and games may look and feel, and lastly possible closing of the season should there be another lockdown. We encourage you to register as soon as you can, as we will be honouring spaces available on a first come, first serve basis. Details of how each division will be impacted by the new Covid-19 Return to Play Guidelines will be published on our website after registration has closed.
