MIDDLETOWN — Rep. Chipps, D-Middletown, is one of five finalists in the 2021 Ideas Challenge by The NewDEAL. Chipps said in a prepared statement: "We can't wait for the debates and political rhetoric to take over the problem, and in doing so why these proposals are supported by state and local leaders across the country are so important.

We should be concerned about what we have learned from best practices, our Distinguished Retirement Plan for All initiatives takes concrete steps towards preparing everyone for retirement and ensuring that they have the chance to share it as a template that can be replicated by NewDEALers and others.

Chipps said, "It's time for all leaders to face enormous challenges as they work on the frontlines of the COVID-19 pandemic, especially those on the frontlines of the pandemic crisis, and to the long-standing inequities high and proposals that must be heard."
