

*A gentle landing place where
love-light, curiosity and awareness
blend to inspire spiritual growth.*

Life isn't about finding yourself. Life is about creating yourself.

-George Bernard Shaw

Reflection Questions

Who do you see yourself as?

Does this match the vision or dream of who you want to be?

If not, what needs to shift?

What can you do to create the 'you' that is full of creativity and passion?

*Ann Ruane, Certified Energy & Crystal Healer
Helping you shift perceptions, inspire curiosity and guide transformation from the inside out.*
