

Council Committee Report

Submitted by: Councilwoman Rukiah Alwan

September 2019

Recreation: I had the pleasure of attending the Freedom School summer Recreation culminating activities August 9. Mrs. Juanita Presley was fantastic as the students displayed all their wonderful talents and skill sets that they learn throughout the summer program.

I was able to sit next to Senator Fred Madden and he helped us provide rewards and trophies to all the students as well as the esteemed staff members that ran the program for many years.

Present, were myself Senator Fred Madden and Council President Jamila Odom Garnett Bremmer.

A special thank you to the teenage mentors and Gianni Lyles for giving time and mentorship to the little Freedom Schoolers!

Finally, congratulations to Mrs. Marianna green and Mrs. Juanita Presley they absolutely deserve the honor and reward that was given to them as they've been working tirelessly in the community with our young children.

I look forward to next summer possibly presenting at the freedom school during the summer hours and I can't wait to see what activities and events they have planned for their culminating program congratulations again to all the students and staff at the Freedom School.

Planning/Zoning Board: Meeting was not official, secretary updated everyone that the President stepped down as well as the Alternate the Mayor assigned. An official meeting will be held October 2nd PM.

All Planning and Zoning Board Meetings are the 1st Wednesday of each month at PM.

Historical Committee: No report at this time.
