Nov/Dec 2017 Prayer Letter

Dear Friends:

Missionaries and More Missionaries

National Chi Alpha Campus Ministries RUI 2017
Missionary Training – RUI (Reach the University Institute)

More than 200 Chi Alpha "entry level" missionaries went through one of our 14 weekend support raising trainings in spring 2017. They attended a two week initial campus ministry training at RUI last summer (pictured above). Then they began their campus ministry assignment in the fall.

THESE are the lives YOU are impacting through your prayer and financial support. Just imagine the thousands of students on university campuses across the nation they touched for Jesus Christ. And you helped to make that a reality!

Giving "Thanks" For YOU!

You are an important part of our team. Whether you are praying and/or financially supporting, you are a HUGE part of our success. THANK YOU, THANK YOU, you are a blessing!

Gregg's Greeting

1. We recently received great news. Jordan our 23 year old son fractured his wrist about 6 weeks ago. Doc said 99% need surgery with his type fracture. But God... Yesterday they told Jordan, "great healing progress, no surgery needed". What a big answer to prayer!

2. Erin has greatly improved from the auto-accident concussion. She began a part time job as a church secretary about a month ago. We are thankful to the Lord!

3. We thank the Lord for many new financial ministry partners! We have just **6% remaining** (monthly financial support) until we are fully funded!

Can you help us finish before the end of the year? If you've not supported or increased support in awhile, would you consider doing so this year? Thanks for considering!

We Love and Appreciate you!
