Dear Respected Mobeds, Mobedyars, and Members of ZSBC,

At the last AGM of the ZSBC via Zoom on July 19th 2020, we all profusely thanked the outgoing board and welcomed the newly elected directors to step up to the plate to accept their duties and responsibilities to look after the affairs of our ZSBC.

We understand that some of us are new to directorship and some are well versed in it. We have a wonderful mix of age groups, genders, origins, customs, and traditions that are practiced from Iran to India, but no matter what or how we define ourselves, ultimately, we are Mazda Yasni Zarathushti.

I would like to take a moment and introduce the Board of Directors for 2020-2022:

President  Firdosh Mehta
Vice-President  Anahita Kaviani
Treasurer (Interim)  Dineyar Buhariwala
Secretary and Communication  Sanya Khajotia
Education and Seniors Activities  Pouran Rostamian
Youth and Social Activities  Kayras Irani
Premises Maintenance  Aubtin Yazdgardian

Mrs. Azita Dehmobed has kindly volunteered to be our bookkeeper.

The board is going to execute its responsibility via committee structure, such that one director does not shoulder all the work of a particular activity. With this in mind, all existing committees are requested to
continue their tasks while the new committees are being established. The board will also request all committees to present their needs in order to accomplish their tasks, which the board will deliberate and act upon. Our focus is to give opportunities to the younger generation and encourage them to join committees and work with directors, in hopes of creating a group of members who are ready to take on community responsibilities in the future. Empowerment, mentoring, and support will be essential and practiced throughout our term.

Due to the COVID-19 pandemic, we have many physical restrictions. Hence, the board will endeavour to undertake as many activities as possible by virtual and remote means. We have recently completed one such activity of hosting the Shahenshahi Muktad during the Fravardehgan days of the five Gathas, at the Darbe Mehr on Zoom, with many of our members in attendance. We are extremely thankful to all our Mobeds who have offered prayers, and the team of volunteers under the leadership of Mrs. Kashmiri Suraliwalla for taking on this gigantic task and completing it with dedication.

Under the leadership of the new board, we will strengthen our ties and increase our participation with other worldwide Zarathushti organizations. In the past, we have worked closely with FEZANA, World Zoroastrian Organization, World Zarathushti Chamber of Commerce, ZSO, CZC, and other such organizations. This has been fruitful for our members in supporting us financially, via various scholarship opportunities, while providing funding for seminars, books for the library, and so on.

On that note, I am extremely pleased to inform you that three of our college students have been selected for academic education scholarships presented by FEZANA. Additionally, we have some participants and one winner in the essay and art competitions from our young members. The popular Return to Roots program of PARZOR is one that many ZSBC youth have participated in, which has allowed them to gain so much knowledge and understanding of our ancient faith. Thus, this program is one we will continue to support as best as we can. We will also do our best to support the North American and Global Youth as well as General Congresses, where many of our members have attended, participated, and have been recognized with various honours.

During this pandemic, it is going to be difficult to provide all the functions, prayer services, and other in-person activities. This may give some members a feeling of lack of participation. However, it is important to note that a not-for-profit organization such as ours does not have many sources of income other than membership fees and donations. Hence, we encourage all of you to please continue your membership and encourage those you know, who may not be current members, to join us. Donations are the life-blood of any charitable organization, and Zoroastrians around the world are not new to it.

Now, we have additional demands of constructing a new home, and a house of worship for our future generations and the purchase of the property next door is a step in the right direction. For this, we are very fortunate to have a dynamic and active Steering Committee under the leadership of Mrs. Bella Tata and Mr. Shervin Shahriari, and we wish them every success. However, all of this requires your magnanimous generosity to contribute, not only from a personal or family point of view but for the overall success of the community. Your deep pockets and large hearts are a hallmark of this community.
We will also continue our Language and Religion Education classes as requested by parents for their children. We have a committee under the stewardship of director Dr. Pouran Rostamian to look after this task. Please support your children in this activity, since this is very crucial for their future growth in being exemplary Zarathushtis.

We thank Mrs. Behin Dokht Kavoosi and Mr. Farzad Kasad for volunteering to join our committees. We encourage others to consider this as well, for we need all the help we can get.

We thank ZSBC members for their trust in the directors to accomplish many of your desired goals. The most recent activity as such was the Muktad prayers, at end of which we had the Shahenshahi Navroze day. We wish everyone a prosperous New Year and Khordad Saal Mubarak. Being safe and healthy is our common prayer for all.

_Atha Zamyat, Yatha Afrinami!_

For and on behalf of ZSBC Board of Directors,

_Firdosh Mehta_

President 2020-2022

**New Darbe Mehr Property Update**

**New Darbe Mehr Project Community Engagement Update**

The Zoroastrian Community Steering Committee and the Community Engagement Working Group members would like to express their sincere thanks to Mr. Zubin Billimoria and all those who took the time to attend one of our recent virtual community engagement sessions on the new Darbe Mehr project. For those of you who missed the sessions, we have included a few highlights below:

- The preliminary layout of the new Darbe Mehr will be based on input from the community and will be presented to the planning committee at the City of Burnaby.
- Rezoning requirements have to be approved by the planning department at City of Burnaby.
- Public information meetings will need to be conducted, to receive approval from neighbours.
- Preliminary plans for the new building must be approved by Burnaby City Council, after which an application will be made for a building permit. Once that is approved, and enough funds are raised, then building construction can begin. This is a multi-year project.
- The capacity at the current Darbe Mehr is 105 people and 6 parking spaces. The new building must include underground parking for 53 cars, will be able to accommodate at least 230 people per floor, and have a maximum height of 2 stories.
- Ideally, the new building should be designed in such a way that minimizes the noise level to the neighbours.
- The Fundraising Working Group is planning to send out an opinion survey soon to gather more input from the community.

We encourage everyone to get involved with this important project, including our youth, to make the new Darbe Mehr a welcoming and inclusive centre for all ages.

How to Contribute

Donations are the lifeblood of any not-for-profit organization, and they contribute to the cost of day-to-day operations of our ZSBC. We are eternally grateful for all those who have donated to the building of the New Darbe Mehr, while continuing to request that you please donate generously to this cause. Your contribution pours directly into building our future home and house of worship and for that, we are humbled and extremely grateful.

We have received donations totaling over $232,400, which is a phenomenal start.

Our ultimate intent is to fundraise the whole amount of $1.355 million and gradually repay these funds to ZSBC and the ARG Trust, whose coffers will need replenishing. Once that has been accomplished, further funds collected will go toward the rebuilding of the new Darbe Mehr.

Please send your tax-deductible donation cheques payable to “The Zoroastrian Society of British Columbia” to 6900 Halifax St, Burnaby BC, V5B 2R5, Canada. Please include a note in the memo state your contributions.
as follows “New ZSBC Darbe Mehr Project.”

OR

Please send an e-transfer via your bank to zsbcdm@gmail.com

All donations for the new Darbe Mehr project are tax-deductible (as tax credits) and receipts will be issued to donors. In addition, donors will be acknowledged personally and in the ZSBC newsletter. General News

Darbe Mehr prayer hall now open on Sundays

For the use of our member’s religious and spiritual needs, we will keep the Darbe Mehr prayer hall open every Sunday in October and November from 12:30 pm to 3:30 pm.

We will practice the safety provisions and requirements of social distancing and health hygiene due to the COVID-19 virus. We will practice wearing masks, safe distancing, and having a maximum of ten
individuals in the prayer hall at a time. We would like to try this out for the months of October and November, after which we will evaluate the usage and decide for opening in future months.

---

**Gatha Prayers**

ZSBC is happy to inform members that despite all kinds of meeting restrictions due to COVID-19, a record number of congregants (over 100 participants) attended the prayer services conducted over Zoom from the Darbe Mehr.

Our deepest thanks and gratitude extend to Ervads Adil Antia and Firdos Balsara for conducting the prayer services daily and to the volunteers for the set-up, take-down, and the many auxiliary duties.

Our donations are down considerably but our expenses remain constant. Please donate generously as monies collected in this fund can be used in case we have to invite mobeds from out of town. Additionally, these donations can be used toward funding more religious events and in the set-up of our new prayer hall within the new facility.

We hope to meet for these gatherings at the Darbe Mehr as soon as it is safe to do so but in the meantime, we look forward to having you attend our virtual events.

World Zarathushti Chamber of Commerce presents:
North American Young Entrepreneurs Virtual Camp

In July 2020, WZCC organized a Young Entrepreneurs Virtual Camp. There were 28 young attendees between the ages of 10-15 years old, among which four young bright minds represented our ZSBC - Zeyus Spenta, Verra Satha, Mitra Rashidi, Zephan Shroff. The instructor was Chuchi Arevalo, founder and CEO, of Spark Business Academy, Washington DC.

They spent six hours over the course of three weeks engaging in discussions on business and entrepreneurship. They constructed and presented a business plan at the end of the 6th session in collaborative groups.

Request prayer services from anywhere in the world with Agiary Connect!

Agiary Connect is a website that allows Zoroastrians to request prayer services from anywhere in the world. This could be useful if:

1. You don’t live near an Agiary.
2. You are in a global pandemic that doesn’t allow you to go to an Agiary.
3. You are physically unable to go to an Agiary for services, due to health issues.

All services are currently performed at Banaji Limji Shenshai Agiary in Mumbai, India. The Banaji Limji Agiary houses the oldest surviving Adaran fire in the city of Mumbai, consecrated in the year 1709 A.D.

Upcoming Events

Darbe Mehr Reorganizing Activity

Hello Folks!
Have you been feeling out of touch from the community in the midst of this pandemic? If yes, so have we - and we miss you dearly!

While it has been a challenge to host events during these times, it has also been heartbreaking to see our community home not get used to its full potential over the past six months.

After a few board discussions of how to engage the community in a safe manner by following guidelines outlined by our public health officials, we thought of one potential way where we could socially distance ourselves, yet enjoy each other’s company and do it all while re-organizing the Darbe Mehr!

Yes, our Darbe Mehr has been the spot where we have held many events and activities over several decades and it is in need of some reorganization, and therefore, we are in need of your help to clean up our home and place of worship!

We would like to call upon all interested individuals who would be available to help us reorganize areas of the building on

**Saturday, October 24th and/or Sunday, October 25th between 10 AM - 6 PM**

Although we would love to see you come lend a helping hand in large numbers, we can only accommodate 24 volunteers to make sure we can conduct this activity in a safe manner for all.

Areas which you can help reorganize include the following:

- Library and coffee station
- Office
- Prayer hall
- Main hall
- Downstairs kitchen
- Basement storage area
- Supply rooms
- Closets

Lunch and refreshments will be provided for all volunteers on both days. Latex work gloves and masks will also be provided. Please fill out the [DOODLE](https://doodle.com/poll/swtbkg9x7fx685y) and let us know when you can help!

You are more than welcome to stay and help the full day(s) or you can sign up for specific time slots on either of the days. More information will be provided to you after signing up.

Come out and get reconnected (safely) in the first ZSBC activity during the pandemic.

Z-Classes on Zoom

We are planning to continue Z-classes online and will announce the schedule soon. We recently conducted a survey gauging interest on what parents would like to see being taught in their children's classes, and we are compiling a class curriculum that aligns with the feedback we've received.

Stay tuned for the schedule and more information!

The wedding of Bezan Irani with Paulina Nassab,
Dear Members,

We understand and acknowledge the resilience and togetherness of this community through good times and bad. As you know, during this pandemic, in-person activities are going to be near impossible to conduct in a safe and healthy manner, which may give us a sense of disconnect from our community. As a non-profit organization, our main sources of funding are membership fees and donations. Even though we acknowledge the sense of distance, we encourage all of you to please continue your membership and invite those who may not be current members to join us.

As reflected in our previous newsletter, membership fees are payable online by visiting http://www.zsbc.org/cms/about/payments-and-donations and paying by credit card. Our Board of Directors is always available to collect your membership fees. You can pay by cash, cheque, or online by credit card. Please feel free to contact any of the directors on any issue relating to our society and convey your views.

We thank you in advance for your continued support and generosity!
