About IMAGE .................................................................................................................. 2

Feature Interview
“For me this is as good as it gets”
An interview with Leslie Hogben, by Shaun Fallat ......................................................... 3

Feature Article

Special Feature
Twenty-five years of the Electronic Journal of Linear Algebra, by Froilán Dopico and Michael Tsatsomeros ............. 17

Linear Algebra Education
Using Real-Life Applications to Inspire a Deeper Appreciation of Eigenvectors, by Heather A. Moon, Thomas J. Asaki and Marie A. Snipes ............................................................ 22

ILAS News
ILAS President/Vice President Annual Report ................................................................. 25
ILAS 2021–2022 Treasurer’s Report .............................................................................. 29
ILAS Election Results ...................................................................................................... 30
Michael Tait Appointed ILAS Assistant Secretary/Treasurer ........................................ 30
Renewal of ILAS Leadership ........................................................................................... 30
Lek-Heng Lim Receives Guggenheim Fellowship ............................................................ 30
ILAS Members Selected as 2022 SIAM Fellows ............................................................. 30
ILAS Member Selected as 2022 AWM Fellow ............................................................... 31
ILAS Members Featured in Quanta Magazine ............................................................... 31
Anne Greenbaum Named AWM-SIAM Sonia Kovalevsky Lecturer ............................. 31
ILAS Receives Major Gift from Taylor & Francis ......................................................... 31
ILAS Launches Program to Aid Mathematicians Affected by Conflicts ........................ 31
Ilse Ipsen to Deliver Olga Tausky-Todd Lecture at ICIAM 2023 .................................... 31
Nominations Sought for Richard A. Brualdi Early Career Prize ..................................... 32

Obituary Notices
Thomas L. Markham, 1939–2021 ..................................................................................... 32
Richard S. Varga, 1928–2022 ......................................................................................... 32

Contents continued on page 2.
Conference Reports
ILAS Partner Activities at the Joint Mathematics Meetings, held online, April 6–9, 2022................................33

Send News for IMAGE Issue 69 ..................................................................................................................33

Upcoming Conferences and Workshops
The 9th International Conference on Matrix Analysis and Applications (ICMAA), Portugal, June 15–17, 2022........35
The 24th ILAS Conference: Classical Connections, Ireland, June 20–24, 2022 ........................................36
The 6th Workshop on Algebraic Designs, Hadamard Matrices & Quanta, Poland, June 27–July 1, 2022 ............37
The 25th ILAS Conference, Spain, June 12–16, 2023 ...........................................................................38
The 16th Workshop on Numerical Ranges and Numerical Radii (WONRA), Portugal, postponed to 2023 ........38

IMAGE Problem Corner: Old Problems with Solutions
Problem 67-2: A Solution to Two Matrix Equations ...............................................................................40
Problem 67-3: A Numerical Range Area Problem .................................................................................41
Problem 67-4: The Schur Product of a Nilpotent Matrix and its Transpose .........................................42

IMAGE Problem Corner: New Problems
Problem 68-1: A Product of Projections ..............................................................................................44
Problem 68-2: The Expected Value of the Square of the Determinant of a Zero-One Matrix ..................44
Problem 68-3: Real Orthogonal Roots of Real Orthogonal Matrices.......................................................44
Problem 68-4: A Circulant Limit ..............................................................................................................44

About IMAGE
ISSN 1553-8991. Produced by the International Linear Algebra Society (ILAS). Two issues are published each year, on June 1 and December 1. The editors reserve the right to select and edit material submitted. All issues of IMAGE may be viewed online at http://www.ilasic.org/IMAGE. IMAGE is typeset using LATEX. Photographs for this issue were obtained from websites referenced in articles, university department websites, conference websites, or from reporters directly, unless indicated otherwise here:

Advertisers: Contact Amy Wehe (awehe@fitchburgstate.edu).
Subscriptions: Contact ILAS Secretary/Treasurer Minerva Catral (ILASsecretarytreasurer@gmail.com) to subscribe or send a change of address for IMAGE.
Editor-in-chief: Louis Deaett (louis.deaett@quinnipiac.edu).
Contributing editors: Adam Berliner (berliner@stolaf.edu), Sebastian Cioabă (cioaba@udel.edu), Anthony Cronin (anthony.cronin@ucd.ie), Jephian C.-H. Lin (jephianlin@gmail.com), Rajesh Pereira (pereirar@uoguelph.ca), and Amy Wehe (awehe@fitchburgstate.edu).

For more information about ILAS, its journals, conferences, and how to join, visit http://www.ilasic.org.
