ACTIVITY 2

My Family

Ask the students to take a moment to think about their own family. Have them write three things that make their family unique or different. Though student responses will vary, encourage them to thank God for the uniqueness of the family they were given.

***Extra Activity (Complete the activity [not found in the pupil book] only as time permits.)**

Family Crest

Give each student a copy of the family crest worksheet to complete. After completing the worksheet, place markers, magazines, tape, glue, scissors, and copies of the family crest template. Using the worksheet answers, have the students to create a family crest with images. Allow them to share their crests with the class.

Gangway

Call attention to the text in this section of the pupil book; read and discuss it. Encourage them to create a list of friends and family members who have not yet accepted God's invitation to be a part of His family.

God wants everyone to be a part of His family. Have you accepted God's invitation to be His son or daughter? If not, what questions do you have? If so, how would you encourage someone else to become a part of God's family?

Disembarkation

Say, "Deuce's family was indeed unique; however, they were still very much a part of the Brown family. Just like God's adoptive family, our natural families come in all forms, colors, and sizes! What is the main ingredient in a family? It is love that binds families together. Have your family create a list of ways that you can express your love to your family."

Docked

Lead the class in the closing prayer.

Dear Lord, thank You for Your plan to make us a part of Your family! In Jesus' name we pray. Amen.

*TECH HELPS:

After the "Main Seating" section, visit https://www.youtube.com/watch?v=S_BliPLSwWM and have the students watch the video "Adopted into God's Family." Then, ask the students to share what they learned about adoption from the video.
