

Blackhawk Farms Raceway Guidelines During the COVID-19 Bridge Phase

In response to Governor Pritzker's Executive Order 2021-10 (COVID-19 Executive Order No. 79) and guidance from the Centers for Disease Control and Prevention, Blackhawk Farms Raceway is operating with the following guidelines in place to lessen the potential transmission of COVID-19 to our participants and staff.

- If you feel sick or have been in contact with someone displaying symptoms, stay at home. If you become sick during an event, see our medical staff and/or leave the facility immediately.
- All participants, including those who are fully vaccinated, shall be required to wear a face covering consistent with CDC guidance while in the Medical Building.
- All individuals who are fully vaccinated can attend and participate without wearing a face covering or staying 6 feet apart.
- All individuals who are not vaccinated, over the age of two, and able to medically tolerate a face covering shall be required to cover their nose and mouth with a face covering when indoors and unable to maintain a 6-foot social distance.

BFR is partnering with organizers and sanctioning bodies to ensure compliance with these guidelines. Failure to follow the BFR guidelines may result in your removal from the facility.

These guidelines will be reviewed according to changing conditions.
