

## WHAT IS SCRIP & HOW DOES IT WORK?

Scrip is an easy way to fundraise money for your individual team account while shopping! Scrip gives you access to purchase gift cards from local and national retailers, while earning a rebate from each gift card purchased. They are the same gift cards you purchase in stores, but the program works because the retailers have partnered with Scrip by agreeing to sell gift cards at a discounted price.

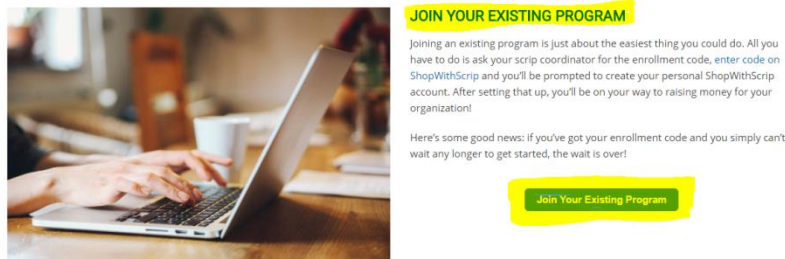

Purchase the gift cards for full face value, receive them and enjoy shopping with the gift card. The best part is that you keep 75% of the rebate earned for your team account.
