

SCA 2021 ANNUAL MEETING & WORKSHOPS

APRIL 24-27, 2021

All Times In Central Standard Time

SATURDAY, APRIL 24, 2021

8:00am - 8:30am	PLENARY: Refresher Course Lectures							
8:30am - 9:00am								
9:00am - 9:30am								
9:30am - 10:00am								
10:00am - 10:30am	Industry Presentation / Exhibit Hall		WORKSHOP 1: MCS	WORKSHOP 2: Professional Development	Industry Presentation / Exhibit Hall			
10:30am - 11:00am	STS/SCA Joint Session: Minimizing Cognitive Dysfunction Following Cardiac Surgery	Innovations in Regional Anesthesia for Cardiothoracic Patients						
11:00am - 11:30am					Fellow and Resident Posters			
11:30am - 12:00pm								
12:00pm - 12:30pm	Problem Based Learning Discussions (1-6)					Industry Presentation / Exhibit Hall		
12:30pm - 13:00pm								
13:00pm - 13:30pm	Perioperative Disasters – How to Handle Them! How to Avoid Them!	“Your Services are No Longer Required!” Have We Made Cardiothoracic Anesthesia Appear Too Easy??				Fellow and Resident Posters		
13:30pm - 14:00pm								
14:00pm - 14:30pm								
14:30pm - 15:00pm	Acute Kidney Injury (AKI) in Cardiac Surgery	How to Manage Emergency Critical Events During Organ Transplantation	WORKSHOP 3: POCUS	WORKSHOP 4: ERACS		Fellow and Resident Problem Based Learning Discussions		
15:00 pm - 15:30pm								
15:30 pm - 15:45pm								
15:45 pm - 16:00pm	Industry Presentation / Exhibit Hall						Industry Presentation / Exhibit Hall	
16:00pm - 16:15pm								
16:15pm - 16:30pm	Behind the Pump: Ensuring Expertise in Perfusion Practices Impacting Your Patient Outcomes	Contemporary Team-Based Approaches to Cardiogenic Shock						Fellow and Resident Posters
16:30pm - 17:00pm								
17:00pm - 17:30pm								

SUNDAY, APRIL 25, 2021

8:00am - 8:30am	Earl Wynands Lecture							
8:30am - 9:00am								
9:00am - 9:30am	PLENARY: Pulmonary Hypertension: Old Disease, New Updates			WORKSHOP 5: Interventional				
9:30am - 10:00am								
10:00am - 10:30am								
10:30am - 10:45am								
10:45am - 11:00am	Industry Presentation / Exhibit Hall				Industry Presentation / Exhibit Hall			
11:00am - 11:30am	SOCCA: Lightning Talks	Mitral Valve Repair: Roadmap to Intraoperative Evaluation and Decision Making	Why is Perioperative a Fib So Hard to Fix?					
11:30am - 12:00pm								
12:00pm - 12:30pm								
12:30pm - 13:00pm	Problem Based Learning Discussion (7-12)					Scientific Poster Session		
13:00pm - 13:30pm								
13:30pm - 14:00pm	Adult Congenital Heart Disease – It’s Everywhere	Can’t We All Just Get Along?	Protective Ventilation for Thoracic Surgery After COVID Exposure (TAS)					
14:00pm - 14:30pm								
14:30pm - 15:00pm								
15:00pm - 15:30pm	Industry Presentation / Exhibit Hall				Industry Presentation / Exhibit Hall			
15:30 pm - 16:00pm	Adult Cardiac Anesthesia Tasting Menu – A Little Something For Everyone	Preoperative Optimization: Can We Level the Playing Field?	Best of Meeting & Early Career Investigator	WORKSHOP 6: Advanced TEE				
16:00pm - 16:30pm								
16:30pm - 17:00pm								
17:00pm - 17:30pm								

SCA 2021 ANNUAL MEETING & WORKSHOPS

APRIL 24-27, 2021

All Times In Central Standard Time

MONDAY, APRIL 26, 2021

8:00am - 8:30am	PLENARY: Artificial Intelligence: The Dawn of a New Era in Perioperative Cardiovascular Care					
8:30am - 9:00am						
9:00am - 9:30am						
9:30am - 10:00am						
10:00am - 10:30am	Industry Presentation / Exhibit Hall					Fellow and Resident Posters
10:30am - 11:00am						
11:00am - 11:30am	Keynote: Using Data Science to Improve CV Surgical Outcomes					
11:30am - 12:00pm						
12:00pm - 12:30pm	Business Meeting & Awards					
12:30pm - 13:00pm	Problem Based Learning Discussions (13-18)				Scientific Poster Session	Industry Presentation / Exhibit Hall
13:00pm - 13:30pm						
13:30pm - 14:00pm	Patient Blood Management Panel	Pragmatic Research: State of the Art 2021	Echo Essentials for Transcatheter Procedures			
14:00pm - 14:30pm						
14:30pm - 15:00pm						
15:00 pm - 15:30pm	Industry Presentation / Exhibit Hall					
15:30 pm - 16:00pm	Right Ventricular Failure	Roundtable: Improving Gender and Racial Diversity in Cardiothoracic Anesthesia	Best of Meeting	Super Echo Panel		
16:00pm - 16:30pm						
16:30pm - 17:00pm						

TUESDAY, APRIL 27, 2021

8:00am - 8:30am	PLENARY: Quality Databases - The Why, How, What, Where, and When Can I Submit My Institution's Data to and Obtain Meaningful Information about Performance of Quality Metrics					
8:30am - 9:00am						
9:00am - 9:30am						
9:30am - 10:00am						
10:00am - 10:30am	Industry Presentation / Exhibit Hall					
10:30am - 11:00am	Hypertrophic Cardiomyopathy (HCM): Diagnosis and Treatment of a Complex Disease	When Cardiothoracic Anesthesiologists and Intensivists Join the Infectious Disease Frontlines	Enhanced Recovery - From the OR to the ICU, a 360 Degree View			
11:00am - 11:30am						
11:30am - 12:00pm						
12:00pm - 12:30pm	Problem Based Learning Discussions (19-24)				Scientific Poster Session	
12:30pm - 13:00pm						
13:00pm - 13:15pm	Industry Presentation / Exhibit Hall					
13:15pm - 13:30pm	The Forgotten Valve: Tricuspid Evaluation During Left-Sided Cardiac Surgery	Problem Based Learning Discussions (25-29)				
13:30pm - 14:00pm						
14:00pm - 14:15pm						
14:15pm - 14:30pm						
14:30 pm - 15:00pm	Bridge to Decision - Bridge to Success: Temporary Mechanical Support and the Decision-Making Process	Investing in the Next Generation of Echocardiographers: Safe Practices for TTE and TEE	Fellow and Resident TEE Review	WORKSHOP 7: 3D TEE		
15:00pm - 15:30pm						
15:30pm - 16:00pm						
16:00pm - 16:15pm	Industry Presentation / Exhibit Hall					
16:15pm - 16:30pm	How to Get My Paper Published	ECMO 2.0 - What You Should Know But Probably Don't	Fellow and Resident TEE Review	WORKSHOP 7: 3D TEE	Industry Presentation / Exhibit Hall	
16:30pm - 17:00pm						
17:00pm - 17:30pm						
17:30pm - 17:45pm
