

YOUR PARTNER FOR SUCCESS

I am using my wealth of knowledge and practical experience to move nonprofit leaders from good to great. I believe that executive coaching and training should benefit both the executive and the organization. I collaborate with my clients to deliver real results with concrete, measurable outcomes. My clients report greater effectiveness and productivity, increased awareness and perspective, improved listening and communication skills, stronger relationships, greater confidence, and more effective leadership.

What My Coaching Offers You:

- A partner who challenges your thinking and helps you grow professionally.
- An objective resource to act as a sounding board for ideas and challenges.
- A trusted advisor you can rely on to help you achieve your goals.
- An extension of your staff to review and provide feedback on your strategies, processes, and documents.
- The confidence and direction needed to exceed your goals!

Each coaching relationship, while unique, follows these basic steps:

1. Create an outline of your expectations and goals.
2. Develop a plan to accomplish those goals.
3. Work together to accomplish your goals.

Other services provided:

- Team Building
- Program Planning and Program Management
