

## ***Celebrate Earth Day during the week of April 19!***

Are you a purposeful and meaningful citizen looking to contribute to the welfare and health of your community? Do you believe you make a difference in someone's life because you care about your environment? Then we need your help.

This Earth Day, let's share with others the importance of building a recycling community. Volunteer a few hours during Earth Week (Monday, April 19 through Saturday April 24) to clean up a site, pass out a pamphlet, pass on a smile, and share in the gratitude that comes with responsible recycling.

*Help RCSW welcome recyclers to the drop off bins located near you.*

Help us "Love Your Drop-Off Location" by picking a location, deciding on the hours to clean up the site and to pass out a brochure by signing up with Kristin. Message, call 419-774-5861 or email [kyoshioka@richlandrecycles.com](mailto:kyoshioka@richlandrecycles.com). If you sign up for a 2 hour shift by April 2nd, you will receive an Earth Day T-shirt.

Caring enough to keep the streets clean, looking to contribute to longer bike trails, bigger parks, and more outdoor enjoyment both in the city and at home rewards best stewardship practices.

Be a steward of our community! Be a part of the outreach for Reduce, Re-use, and Recycle and Love RCSW's Drop-Off Bins!
