### VITAL STATISTICS

#### Screen Style

Frame Support,  
Metal Backed

#### Overall Width

25"

#### Overall Length

49.25"

#### API Non-Blanked Area

5.62 ft<sup>2</sup>

#### Weight

34 lbs

#### Materials of Construction

##### Mesh

304 SS

##### Backing

A500 grade carbon steel

##### Frame

A500 grade carbon steel

##### Seal

NBR D Seal

#### Availability in Sierra™ style

YES

### SHIPPING

#### Screens per box

1

#### Box Dimensions

25.5" x 50" x 2"

#### Box Weight

36 lbs
