

2021 MOFO ODDS and PREDICTIONS		
LASHVILLE TENNESSEE Dan K. Jr Jay L.	2-1 MOFO	The spring was their worst performance so far at the Mofo but it wont happen again. The Wiley Veterans will be taking the field on a trip to Lashville Tennessee and not too many teams are gonna like it.
SALT AND PEPPER Steve B. Ken L.	3-1 MOFO	Losing to the Marchmen on the 18th hole in the spring broke Lickle Steve Bryans heart and sent Ken to the Pit of Dispair. Hoping to rebound but may get taken on a trip to Lasville Tennesse.
STARKY AND HUGGY BEAR Kyle C. Nathan G.	4-1 MOFO	Coming off a diappointing spring Mofo, these guys need to lay off the sauce and focus a little more on the game. Huggy Bear needs to contribute for them to win and Starsky needs to leave the lucky grey pants at home.
BALD HEADED EAGLES Gary P. Rick B.	5-1 MOFO	After a two tournament break the boys are back with a new name and new additude. Gary will have to really step it up as Rick has been struggling of late to break 100. they will be in the money but it wont be easy in Lashville.
BUSH CHIPPERS Elliot D. Big Al S.	8-1 MOFO	The boys took the spring off to figure out the kinks and issues had at the 2020 fall Mofo. Hoping to rebound but a tough field Lies ahaed and they will struggle to make it in the money.
NO BOLONGNA Jeff V. Jordan B.	12-1 MOFO	Jeff had to look for a new partner after a small tiff about Balogna sandwiches with ex partner Gary from Pokersatrs. Hoping not to eat another balogna sandwich with cart path dust all over it. Will fair better then Gary.
SCHOONERS Joe K. Jay G.	15-1 MOFO	Another team that took the spring off, they are going to try to totally redeem themselves but they will get caught in heavy traffic in Lashville and find themselves too far behind after Fridays quallies. POB.
BROWN SUGAR Steve R. Murray B.	20-1 MOFO	After making a 1800 km trip from Dirty old Nova Scotia, Murray has returned for the fall Mofo. "Im so happy to have him back " says Steve in a pre Mofo interview. Looks like its gonna be a long trip home from Lashville.
CORONA PAR TEE Dion K.JR Aaron T.	25-1 MOFO	The Lads from north of 7 where it seems to snow from October to May are returning for another Mofo and just may qualify for the big tour. Competed well in Kife but will struggle to finish in the money.
SMASH BOTHERS Roger G. Quentin R.	30-1 MOFO	Good old Rog and Quentin are back and ready to go. "We plan on qualifying for the MOFO and taking off from there" says Roger on a TSN interview last week. Not sure these guys know they are heading to Lashville Tennessee this year.
FIRGIR Joe P. Tim B.	35-1 MOFO	The Boys are getting back together after a small Covid break and ready for a POB. They will qualify for the big Tour but don't expect much, Joe has not been to consistant this summer and will need Tim to step it up.
DIRTY SHANKS Rob M. Beans	40-1 MOFO	Beans got a liittle roughed up this past spring and went too hard on the sauce celebrating the big 30. Even left his lunch in a few locals. Rob is hoping hes back and focused. If they don't qualify here they may win Kife.

2021 KIFE ODDS and PREDICTIONS		
STR8 BLAZING Rob G. Mark P.	2-1 KIFE	Gooch's 5th partner in as many years, hopefully Pothiah can stick it out. Gooch plans on blazing from hole 1 to Hole 72 and come home with his first win. If Mark can avoid the second hand toke they may win.
BROOKBACK MOUNTAIN Chad C. Zack M.	3-1 KIFE	More rookies outta Ajax and another spawn of Tommy C. The boys plan on making a big splash at the Mofo and let everyone know who they are. Chad playing solo first round Friday may determine that.
SMOKE N CHOKE BrianC. Carnel B.	4-1 KIFE	Ole Jesus has found another apostle to play with and it could be his last supper. You will here a lot of coughing from this team but don't fret its not the Vid, its just jesus hacking back a pack of darts.
PIN HIGH Luke C. Steve C.	5-1 KIFE	A new team from parts unknown, had to fit them in somewhere and thought to give them the benefit of any doubt and put them mid pack of the field.

FGD Chad M Kevin L.	8-1 KIFE	Moser gives it a shot with another partner as he got shut out in the spring and doesn't want to go home empty handed again. Will Lemaitre fill the shows of Stiles probably not but may contend in Kife.
O-FOX Kurt W. Manny	12-1 KIFE	Where there was chaos and what not at the spring Mofo Manny was always near by. Just straight chaos from beginning to end, Kurt didn't know what to do but try to get him settled.Backin tune for the fall they are hungry for a win.
ROADHOUSE Sean D. Paul D.	15-1 KIFE	Big physical changes from Roadhouse, earlier this year the President didn't even recognize him on the street. 'Hi, I'm Dan'... 'Dan, it's me Roadhouse'. We don't expect big changes on the course though, this group could actually fall to the Show.
STIFF SHAFTS Nick B. Davis K.	20-1 KIFE	Pretty mush the same as Roadhouse , they got a lot of learning to do and get the lay of the land. These guys could surprise and win the whole goddam thing but not likely with them taking a trip to Lashville.
TNT Meat Loaf Shane T.	25-1 KIFE	Rumour is Trump was trying to hire these guys to figure out the voting fraud in the US election as these guys are pros at finding the fix." I knew the fix was in at the spring Mofo as every Krisko went home with money" Said Shane during an interview with Don Lemon Last week.
MLB Braeden L. Evan B.	30-1 MOFO	Men Love Blunts are back again and ready to take any side bets . With sheer improvement from there inaugural Mofo and last palce, they faired better in the spring but this field may be tougher.
FAIRWAY TO HEAVEN Alex E. Kyle B.	35-1 MOFO	Looking to make some money back these boys are pissed and ready to battle MLB once again. Side bets and a POB is most likely to happen and a long ride home kiccking rocks.
TOP GUNNERZ Cole S. Justin T.	40-1 MOFO	To be called the Gunnerz you need to be ranked up with the Gunners and that's not an easy thingto do. Being unknowns they may surprise, im sure last in Kife is not there goal but this is Lashville Tennessee. End of story.
