

**WHO WE ARE** For more than 20 years, Kollin Altomare Architects has designed and reimagined four- and five-star properties in over 25 states and four countries. Early on, the firm led by founders Michael Kollin and Paul Altomare, developed a niche in hospitality design, which evolved into a specialty—and now a growing reputation. But we've also made our mark in high-end residential, retail, leisure, and mixed-use.

Kollin Altomare approaches every project with the type of drive, accountability, attention to detail, and creativity you'd expect from a firm who has something to prove. Because we do. To our clients, of course. But also, to ourselves.

With offices in Long Beach and Chicago, our talented staff of architects, designers, and project managers, has contributed to more than 120 skylines with projects spanning the East and West coasts, Hawaii, Mexico, the US Virgin Islands, Ireland, and Argentina. We are proud to have been involved in the design and renovation of over 400 hospitality and leisure projects for an array of notable clients such as Fairmont, Four Seasons, Hilton, Hyatt, InterContinental, Langham, Loews Hotels, Marriott, Montage, Mosaic, Renaissance, The Ritz-Carlton, Sheraton, Strategic Hotels & Resorts, Viceroy, Waldorf Astoria, Westin, and many more.

Kollin Altomare is ranked #3 among architecture firms in *Hotel Management* magazine's list of Top Design Firms and named among the 'Best Architects in Long Beach' by *GC* magazine.

**WHAT WE DO** Beyond providing full-service architecture, interior design, and planning services, we create elegant and inspired projects. While we've built a reputation for turning unexpected challenges into creative opportunities, our attention to the individual needs of our clients is where our team truly shines. We listen, we translate, we adapt, and we deliver. Providing aesthetically pleasing solutions to genuine problems—resulting in not only award-winning hotels, resorts, spas, residential, retail, dining, leisure, and entertainment destinations, but enduring partnerships with the people who hire us.

**OUR MISSION** Driven to be *creatively responsible, and responsibly creative*, we deliver inspired solutions that surpass the expectations of both our clients and their customers.
