Dear Parents,

We have an exciting summer camp planned for your young man this year. Instead of 3 weeks, we will be enjoying 8 weeks of awesome opportunities to learn more about who we are using dialogue, field trips and other interesting activities. We have a great lineup of facilitators and mentors.

We will hold two parent information sessions: Friday May 7 from 5:30 p.m.-7 p.m. and Saturday, May 8, from 11:30 a.m.-2:30 p.m. Your first step is to go to our webpage and either download the application or fill it out online and submit. We have twenty slots available and will accept students who submit a completed application and pay the non-refundable \$25 application fee. Scholarships are available for students who live within the city limits of Savannah. Students outside of the city limits and those who do not qualify for a scholarship will pay \$50/week.

GROWING INTO MANHOOD summer camp is for young men ages 11-16. Our theme this year is "The Journey to Becoming..." I encourage you to enroll your young man early.

Dr. Gertrude Robinson
Program Coordinator

Mission: Male students will be prepared to master rigorous curriculum and develop skill sets to effectively interact with peers, community and the global society.
