- ***We would consider Rent possibilities for this machine, if you are interested.***
- ***We can provide Buyer with custom Stick and Boom Shortening or Lengthening options if required and at additional cost.***
- ***We can provide Buyer with additional Bucket or attachment options upon request and additional cost.***
- ***Machine Breakdown, and load out for shipping, included free in the price of this machine. Detailed and professional plugging of all open hydraulic lines, detailed accounting of all hardware, pins, and accessories, is something we take great pride in.***

This machine has just been listed, it would be hard to find a nicer one, it has had excellent care, the prior preventative maintenance program was provided by the Cat Dealer. This machine has a remaining 2 year parts and labor factory Cat warranty that will transfer to

the new buyer.

This machine has original paint, very sound and reputable both mechanically and cosmetically. The Cylinders are dry, and all the Linkages are tight.

This machine is going through our shop for an extensive, Pre-Sale, Pre-Rent work order. Please call for complete work order detailed description. A few processes this machine will get, will be a Full Cat TA2 Pressure Testing Report, for the Engine and Hydraulic System. We will also service all oils and filters on the machine, and several other detailed procedures.

Please call or email us, to request additional information, Work Orders, UC Measurements, Service History, and Full Pictures. We can also get you very fair freight rates, to anywhere in the country.

We invite your own personal or 3rd party inspection of this machine anytime, located at our facility in Bellevue, Iowa.

Price: **\$628,000**
