EXHIBITOR PACKAGES

We are very excited about the promotional opportunities available for maximizing exhibitor interaction at the 2021 National CERT Conference in Springfield, Missouri on July 15-17, 2021.

A majority of CERT programs are sponsored by a public safety agency such as fire, law, and emergency services. Your participation in this event will connect you with industry decision makers and give your company national exposure to these organizations along with State and Federal emergency management. Showcase your organization's expertise at the 2021 National CERT Conference.

The 2021 National CERT Conference is also a great opportunity to showcase your CERT related products and services to CERT Program Managers, Instructors and Trainers. CERT Conference participants are always excited to visit with exhibitors during the conference.

I invite you to review the attached Exhibitor Package. If you should have any questions, do not hesitate to contact the following:
