ABOUT THE SHELTER

The Women & Children's Shelter of Barrie is a registered non-profit charity governed by a volunteer Board of Directors and staffed by trained professionals. All services are free of charge and confidential. Partial funding for the agency comes from the Ministry of Community and Social Services, with the balance generated through fundraising events and private donations. In addition to the 27-bed shelter location, the agency also maintains an off-site location for women in the community seeking support.

The shelter offers comfort, security, support and an opportunity for change. The agency staff provide counselling, compassion and encouragement for women attempting to make life-altering decisions for themselves and their children.
