# Introduction

**I have always believed in the power of a name.**

**It goes back to the Old Testament when parents would give their children names that had meaning, and played a role in their character and how their lives were defined.**

**You even saw name changes that took place when various people would surrender to God and they were given a change of name to show a change of heart.**

**WE KNOW WHAT GOD IS LIKE,  
NOT ONLY BY HIS PERFECTIONS AND WORKS,  
BUT ALSO BY HIS NAMES.**

**In Scripture, the names of God are like miniature portraits and promises. In Scripture, a person's name identified them and stood for something specific.**

**This is especially true of God.**

**Naming carried special significance. It was a sign of authority and power. This is evident in the fact that God revealed His names to His people rather than allowing them to choose their names for Him.**

**So as you read and learn the 'Names of God,' remember that each one is not only a definition of His character and nature, but also a promise to you.**
