	Based on the experiences of the previous two days, participants are encouraged to meetup with friends to enjoy a glorious late September day. The Doylestown Connects App will be live throughout the day to help people connect. Look for some spontaneously organized meetups depending on interests of the group – a leisurely early morning breakfast with friends, a great brunch at one of our local establishments, a movie at The County Theater followed by coffee or drinks, the spirituality of social networking at a local place of worship, a jog or bicycle ride through town with new-made friends from the day. Stay tuned – because anything can happen when Doylestown Connects.
