

Clarendon School District 4 Child Find

Child Find is required by IDEA to identify, locate, and evaluate children who may have disabilities and may need early intervention or special education services. If you are concerned about your child's speech, learning, behavior, or development, please contact Kim Lineberger at 843-657-2290 or kim.lineberger@clarendon3.org to make a Child Find request if your child is 3 years old or older. For children under the age of 3, contact your local health department.
