Asbestos - Sample

Please use the following procedure:

- Sample a small amount of suspect material (about the size of a nickel, total) into a Ziploc bag.
- Label the bag w/type of material - *We recommend taking pictures of the sample and location (for your records to store with the lab report)*

Lead - Sample

Please use the following procedure:

- Sample a large amount of suspect paint chip material (about the size of a roll of quarters, total) into a Ziploc bag.
- Label the bag w/type of material - *We recommend taking pictures of the sample and location (for your records to store with the lab report)*

Drop-off at Office

- 1038 Leigh Ave. #209, San Jose, CA 95126
- Drop-off box is located in the front of the building.
- Monday – Friday / 8am – 4pm for next business day results.
- Samples dropped off after 4pm will be processed the following business day.
- Please notify our office once the sample is dropped off to confirm the sample has been retrieved by an Adviro team member. A notification email will be sent. Your results will be sent by email.

Mail-in

- Mail to ADVIRO: 1038 Leigh Ave. #209, San Jose, CA 95126
- Once the sample is received, a notification email will be sent. Your results will be sent by email within 1 – 2 business days.
